Love You To Death

That's love
I love you
Uh
Take gaoka
One more month until graduation
I don't know what to do with all the free time I have
Even Mahjong's gotten boring...
Whatever I don't have anything else to do today
I'll just ride a little longer
Oh no! I missed my stop

You wonder if you're going crazy
You worry and worry
Yanagi
You think about it even though you try not to

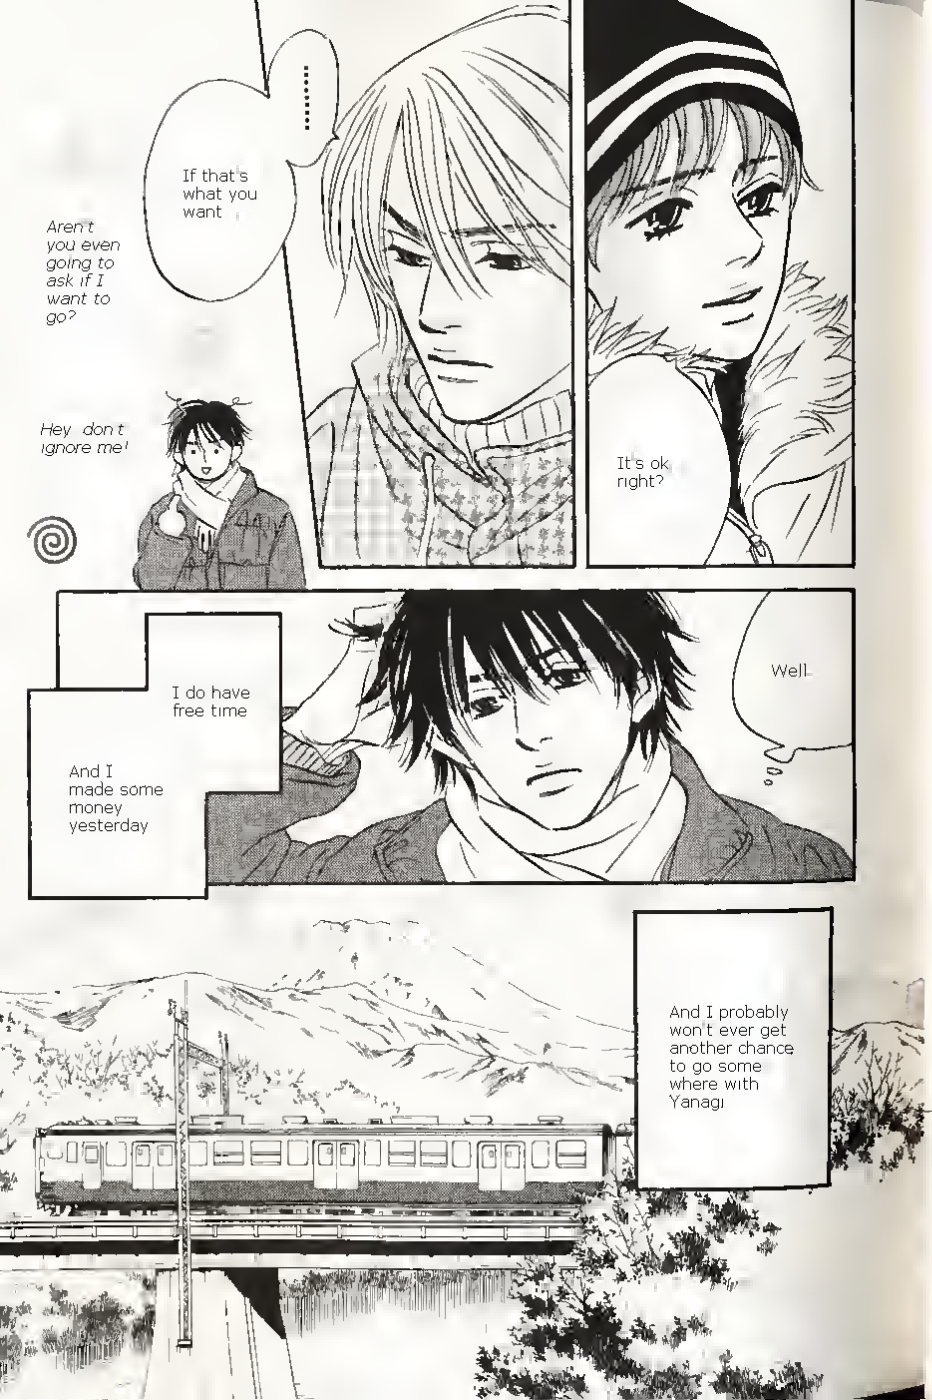
I'm not looking
.....
What are you doing up so early?
What are you looking at?

Take gaoka

Let's sit here
Am I still dreaming?
Huh?

He's so carefree
Ryuu-chan is he your friend?
.....
But I don't have anything else to do, so it doesn't matter
Didn't you miss your stop then?
I'm going to Mita to play Mahjong
Approach
Go away!
Ryuu-chan
Oh. I'm his classmate
My name's Eto
Hm
I feel asleep and missed it

No, they're probably just going somewhere to write exams
That guy
He's from my high school
I wonder if they're going on vacation
They're obviously ignoring me



Aren't you even going to ask if I want to go?
If that's what you want
It's ok right?
Hey don't ignore me!
I do have free time
And I made some money yesterday
Well...
And I probably won't ever get another chance to go some where with Yanagi

We're taking the normal train because we have time
Yea we're going to a friend's in Shizuoka
Are you going on vacation?
That's nice
He's really cute up close
Oh?
I live near Ryuu-chan
I'm Satomura Yutaka
If you've got free time too why don't you come with us?
You're not serious
It'll be fun with more people
Yutaka what are you talking about?
What? Really?

R
.....
What? He's been awake the whole time?
Do you know what school Yanagi wants to go to?
ドカ
Sorry I need to answer this
ぐぐぐ...
ぐぐぐ...
Don't go talking about me behind my back
.....

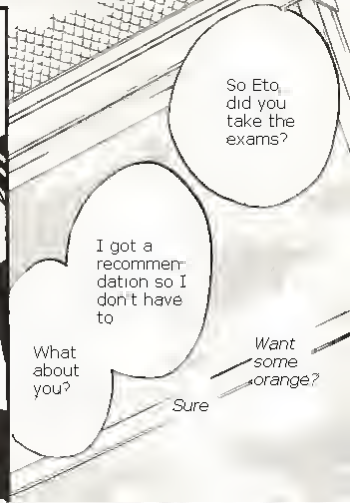
.....

It's my fault, isn't it?
What is it?
Is something wrong?

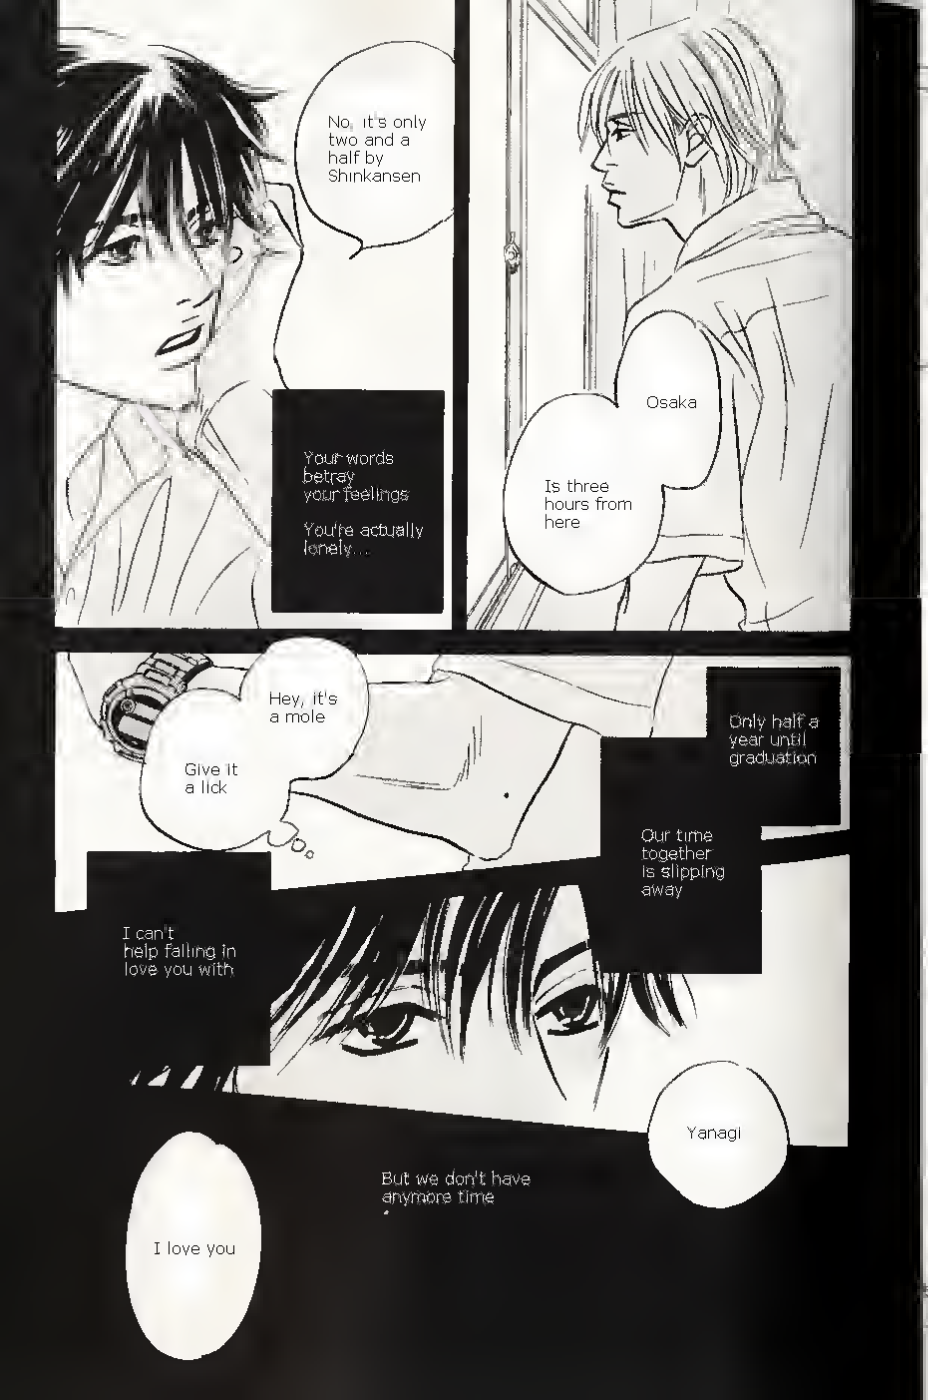
ふぁ
Well we didn't have anything planned anyway
I'm going to sleep

Um...
Can I ask you some thing?
Hm?

You're older!?
I took them two years ago
You must be really smart!
I'm in my second year at T University



So Eto, did you take the exams?
I got a recommendation so I don't have to
What about you?
Want some orange?
Sure



No, it's only two and a half by Shinkansen
Your words betray your feelings
You're actually lonely...
Osaka
Is three hours from here
Hey, it's a mole
Give it a lick
Only half a year until graduation
Our time together is slipping away
I can't help falling in love you with
Yanagi
But we don't have anymore time
I love you

* Earlier Eto said he'd be graduating in a month
In Japan, graduation is in March
I want to go to K University
If I can get in
At least give me my New Year's card now*
No reason
Well, you wouldn't tell me
What does it matter? Why do you want to know?
I'll be going to Osaka
So you're staying in Tokyo
University Entrance Form
Of course you'll get in! School's the only thing you're good at
The only thing!?
If I get in for sure
Yea
Spaces are limited
So you won't have to pay tuition?
Your parents must be happy

.....

What's this for?
Oh, nothing really

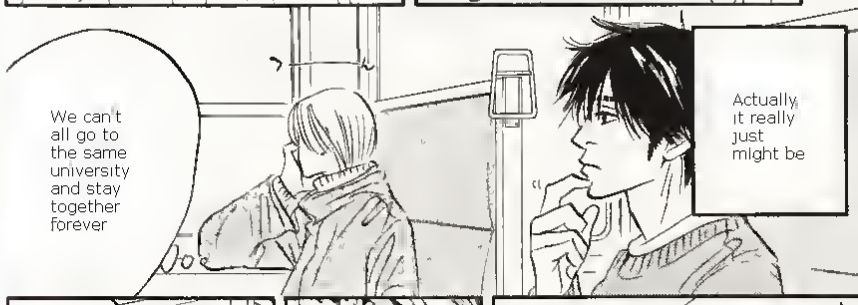
What the hell is that?
Why does he have a knife like this with him?
Yutaka

What? But we came all the way here
Why did things get serious all of a sudden?

And Shin-chan said he can't have us over anymore
Should we go back?
Wha
What?

Is it?

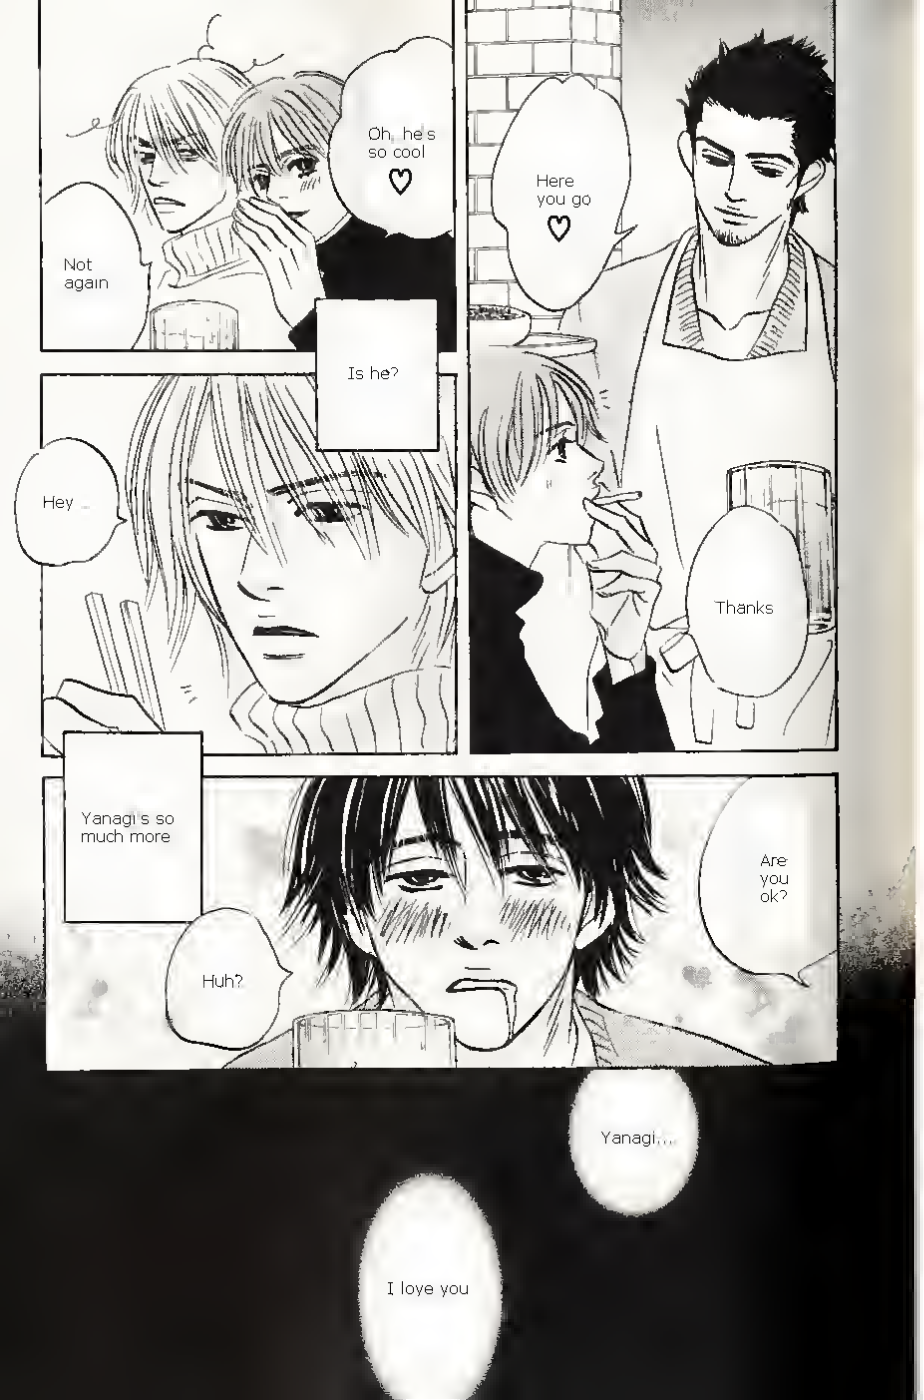
.....
But it's impossible



We can't all go to the same university and stay together forever
Actually, it really just might be

Oh no, it fell in Yutaka's bag
Oops
Now I regret bringing it up...

I feel bad because he feels bad
I really am in love
But that doesn't mean we can't ever hang out again anymore
Let's have shrimp chips



Oh, he's so cool
Not again
Here you go
Is he?
Hey
Thanks
Yanagi's so much more
Are you ok?
Huh?
Yanagi...
I love you

Excuse me, refill please!
Robbery!
Murder!
Get away!
Sorry about the change in plans
This is on me, so drink up!
What's wrong?
You're so tense
That would be interesting
It's nice of him to treat us
Stop that
You can be so annoying sometimes, Ryuu-chan
Like a little girl

How far are we going to go?
We are in a classroom...
Oh
This is embarassing...
No, it's not, is it?
Yanagi
Is this ok?
Yea...
Oh, it is ok!
Ah
This isn't the Yanagi I know...
The Yanagi I know is more...
Nn...

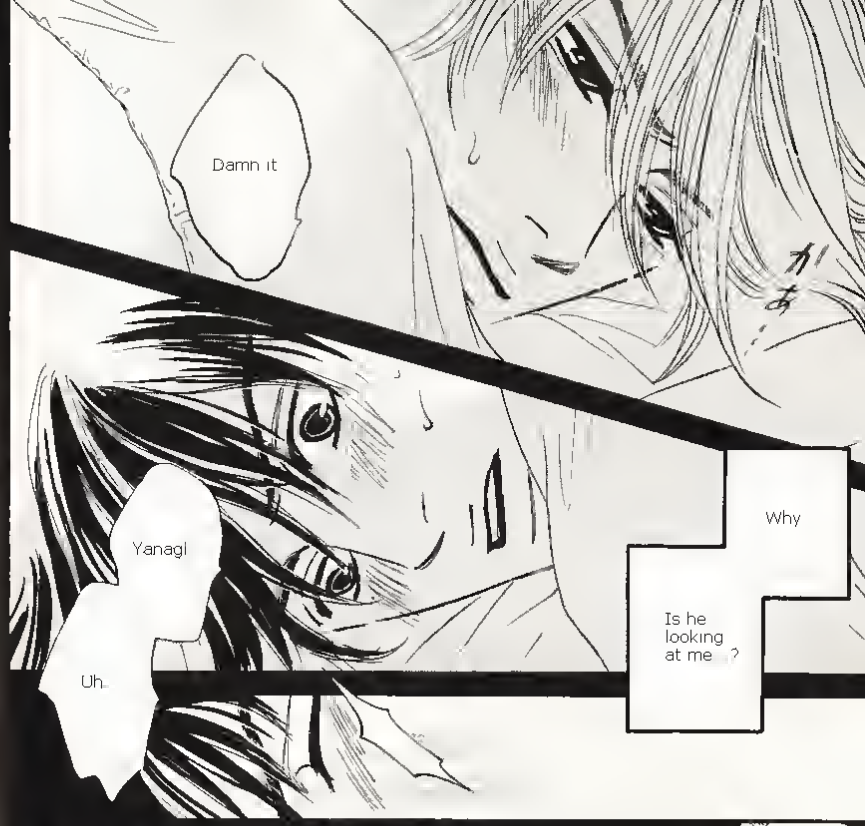
I love you too
Oh
I must be dreaming
Yanagi
Yanagi
I'm dreaming
Wake up! Wake up!
No, I don't want this to end
Eto
Oh
Huh?

No
They're next door
Oh! Oh! Oh!
See, You want it, don't you?
Ah
No, it's not!
It's ok
For some reason, that guy from the bar came too
After we left the first bar, we went to another
Yutaka and that guy were getting along really well Yanagi was upset And I don't remember anything else
Last thing I saw
But that's just how my Yanagi is...
I've gone crazy.
He's always been good at pretending to be asleep
Yanagi
Are you awake?

ガバ
Huh?
That voice...
Nn
Oh, good
Safe
Nn
Nn
Ha
Ha
Ha
Ah
Ha
Ha
How could he still be sleeping!?
Ya
Yanagi!?

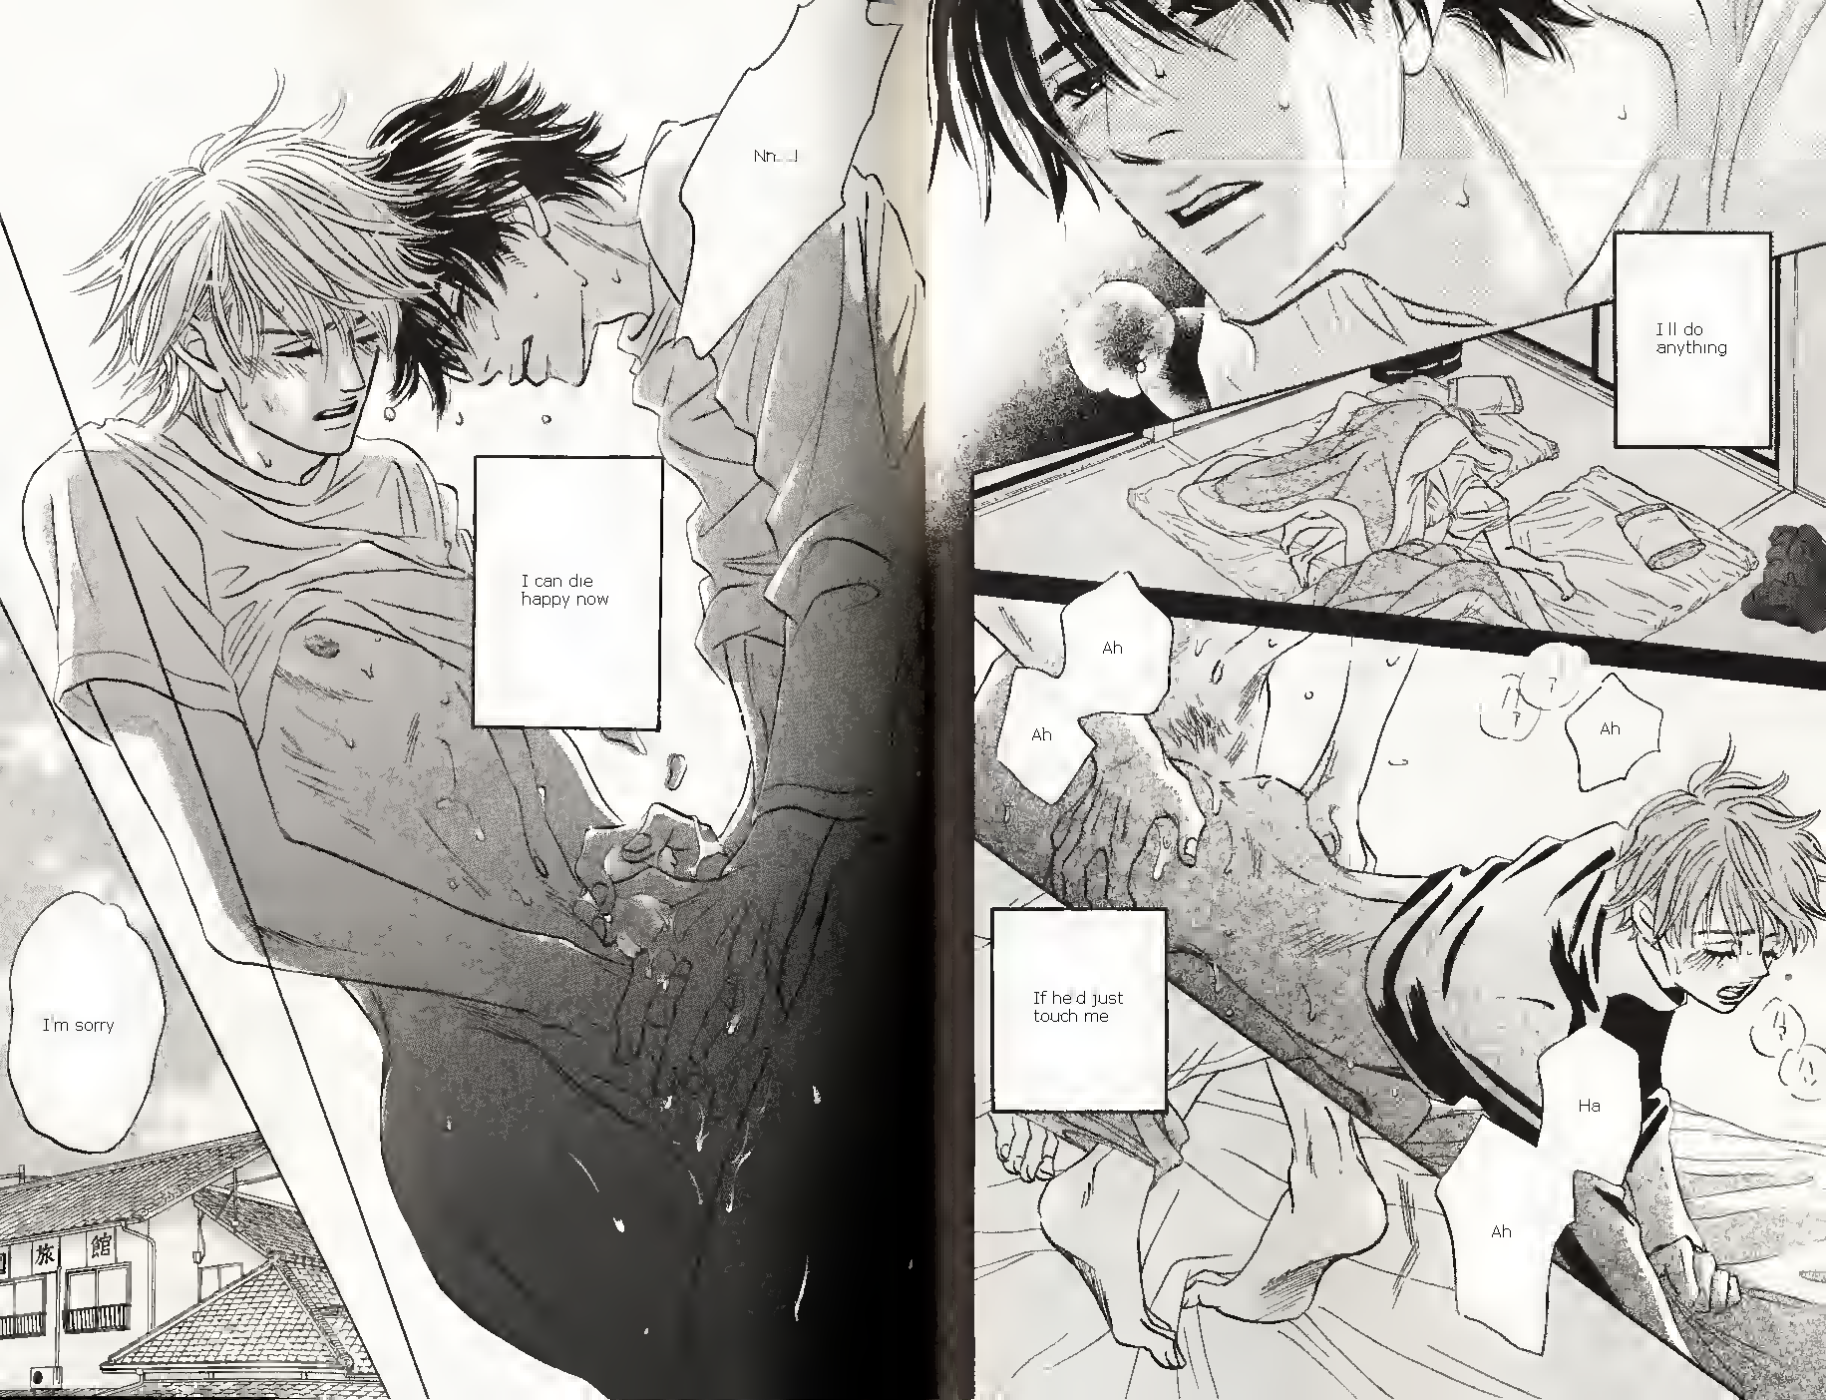
Nn
Nn
Nn
No, can't yet...
What do I do?
Nn
Nn
What do I do?
I can't stop
Ha
Where
Ha
Ha
I need tissue
What if Yanagi's awake ?

ビクッ
It is just me...?
Yanagi...
.....
Don't look, idiot



Damn it
Why
Is he looking at me...?
Yanagi
Uh..

Ah
Huh
Ha
Wait
Why ?
Wha
Yanagi!?



Nh...!
I can die happy now
I'm sorry
旅館
I'll do anything
Ah
Ah
Ah
If he'd just touch me
Ha
Ah

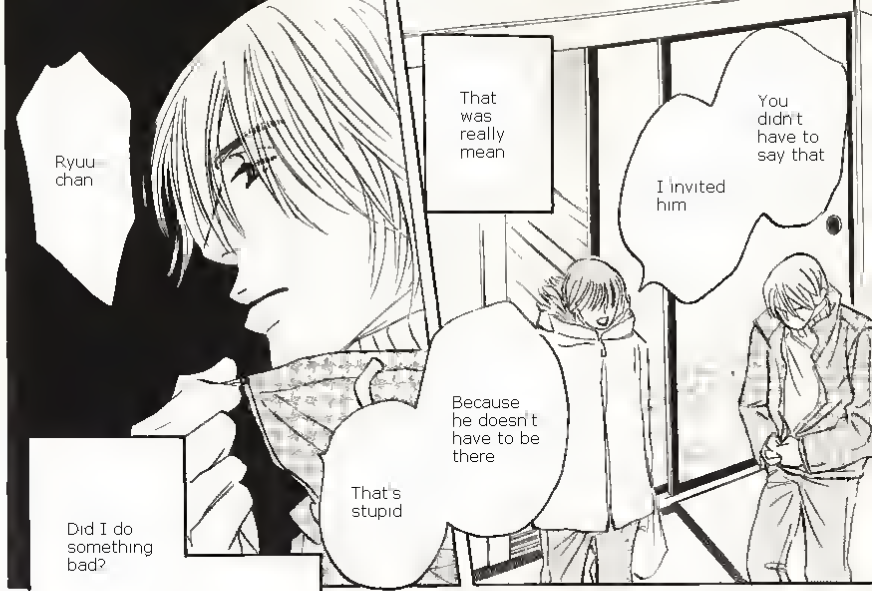
What about me...?
Go home
I'm sorry things got messed up
But
Oh
Wait
Ryuu chan
You've killed lots of time already
Just go home

Huh? Eto kun what's wrong?
You were so loud last night
So
What are we doing to do?
Hello! This is your morning news
Here I bought breakfast
The guy from last night is gone
Um...
He'll meet us at the train station...
Let's get going then
He'll be there, right?

You're nice to everyone but me
I'm feeling braver now
Thanks
I should have come by myself in the first place

You won't be nice to me
You won't tell me you like me
Yutaka

I just wanted to spend a little more time with you



Ryuu chan
That was really mean
You didn't have to say that
I invited him
Because he doesn't have to be there
That's stupid

Did I do something bad?
Is it so bad that I like you?

Ryuu chan
It's ok
I've come so far already
I'll be fine by myself
You should go home too
But you're actually a very nice person
What are you talking about?

Last night was the best
I really wanted you
It was like finding treasure
Thanks!
Eto-kun

I give up
Bastard
I'm sorry
Nn
Wha
Nn

He got transfered for work and a long distance relationship was just too hard
I ended up cheating on him
Cheating
Yea, like what I did last night

I know

Oh, I know.

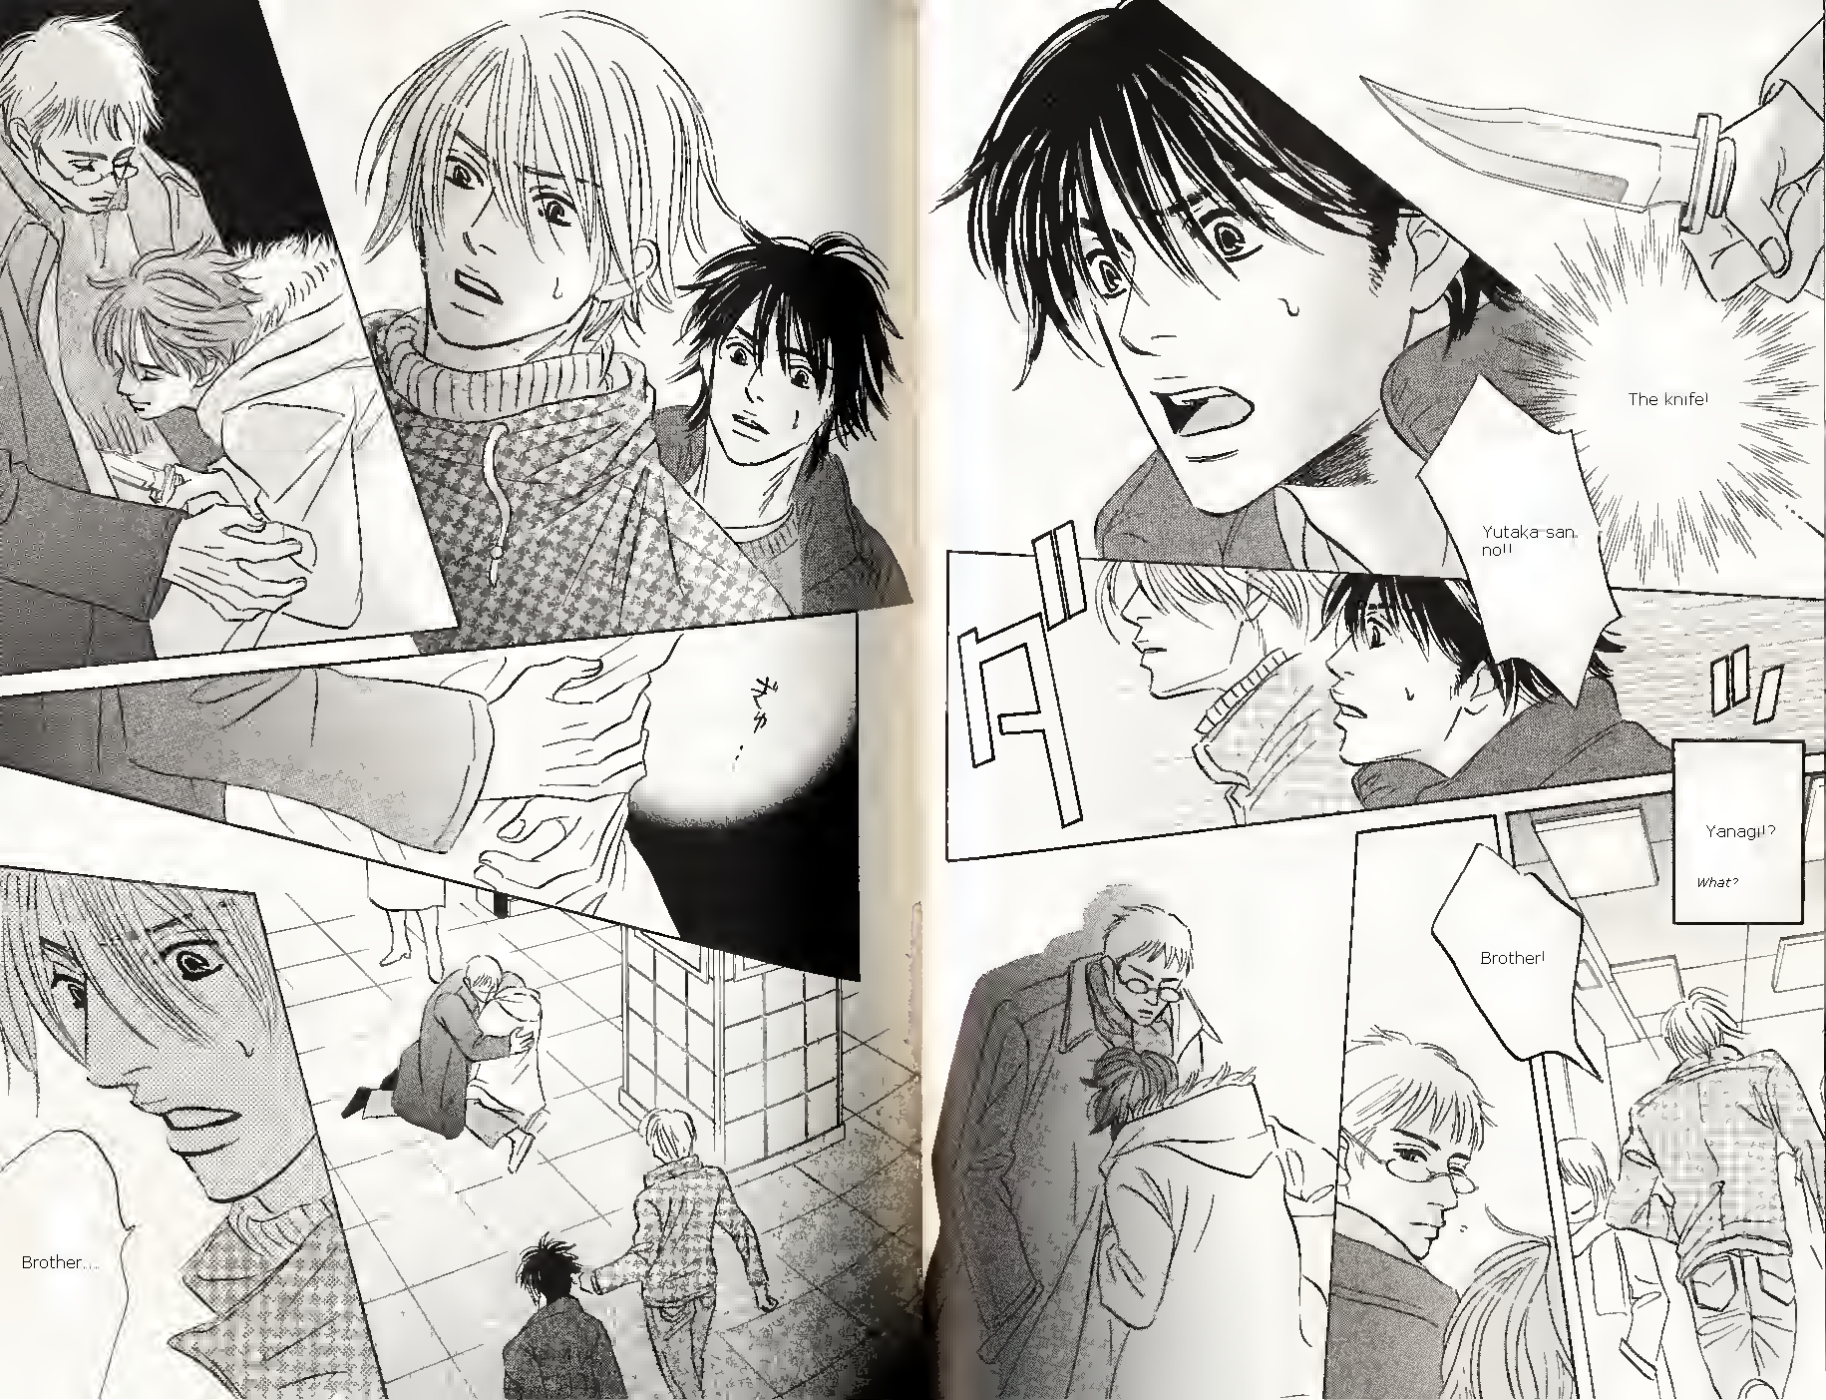
It's hard now

But pain goes away with time...

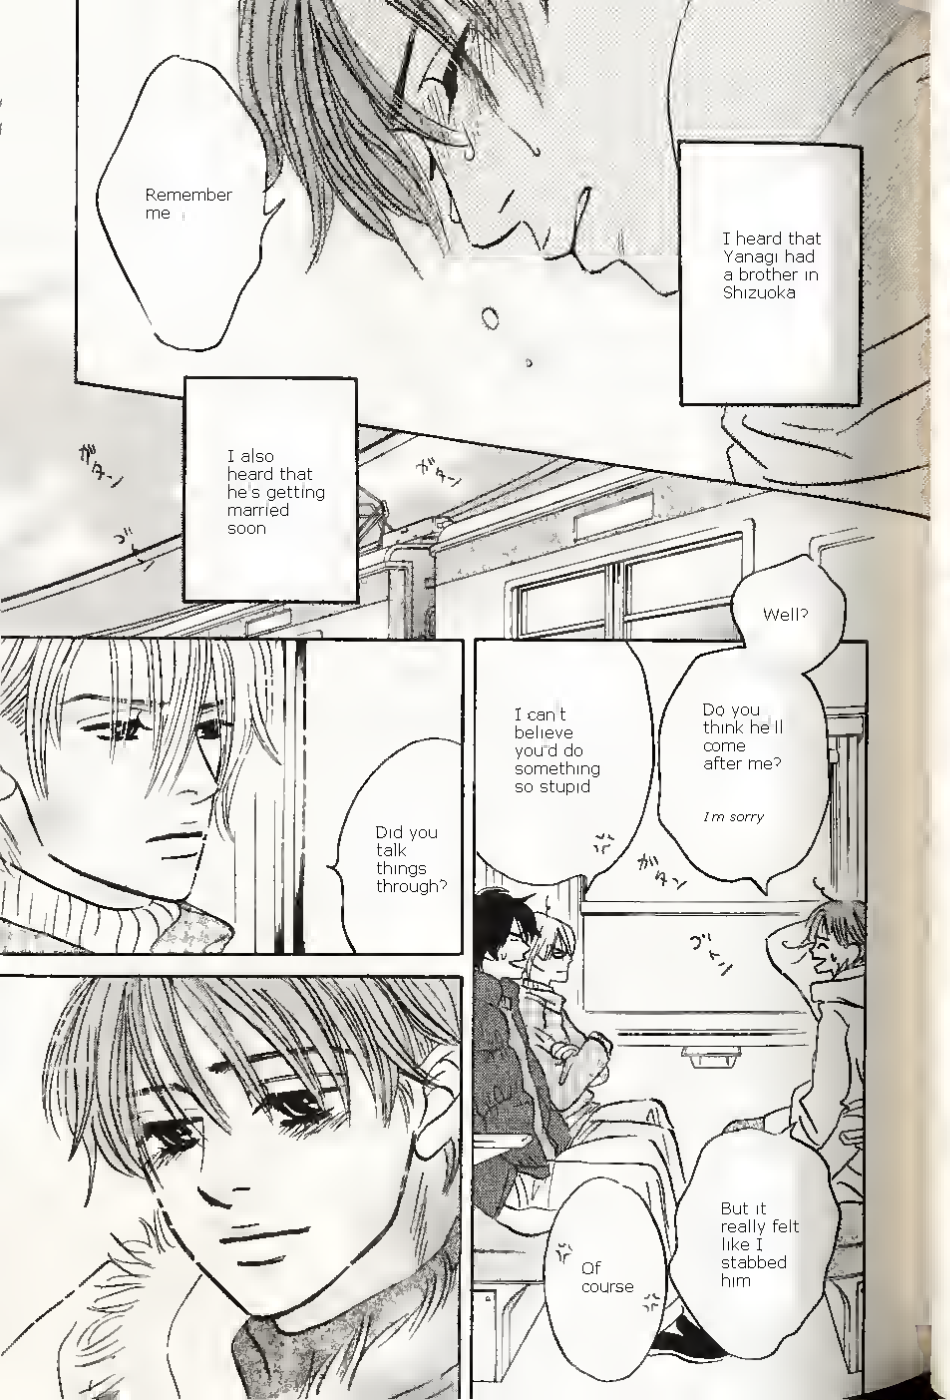
You really want to come along...?
About Ryuu-chan...
Yea.
I came this far already too
I love him!
It's too lonely
And I don't want to go home by myself...

"No it was mine"
Is what he should say next
But I'm just imagining all this
"Really?"
"Yes, it was my fault"
"I'd like to give it another try"
"Me too"
He's
Crying
Oh
What?
What?
He's taking out something
Oh, he's leaving
I guess it didn't work out

But I just realized that it's hard to give up too
Exit
Will you wait here for me?
Yea
Good luck
He's here
I wonder if it's going ok
ink



Brother....
The knife!
Yutaka-san, no!!
Yanagi!?
What?
Brother!



Remember me
I heard that Yanagi had a brother in Shizuoka
I also heard that he's getting married soon
Did you talk things through?
Well?
I can't believe you'd do something so stupid
Do you think he'll come after me?
I'm sorry
Of course
But it really felt like I stabbed him

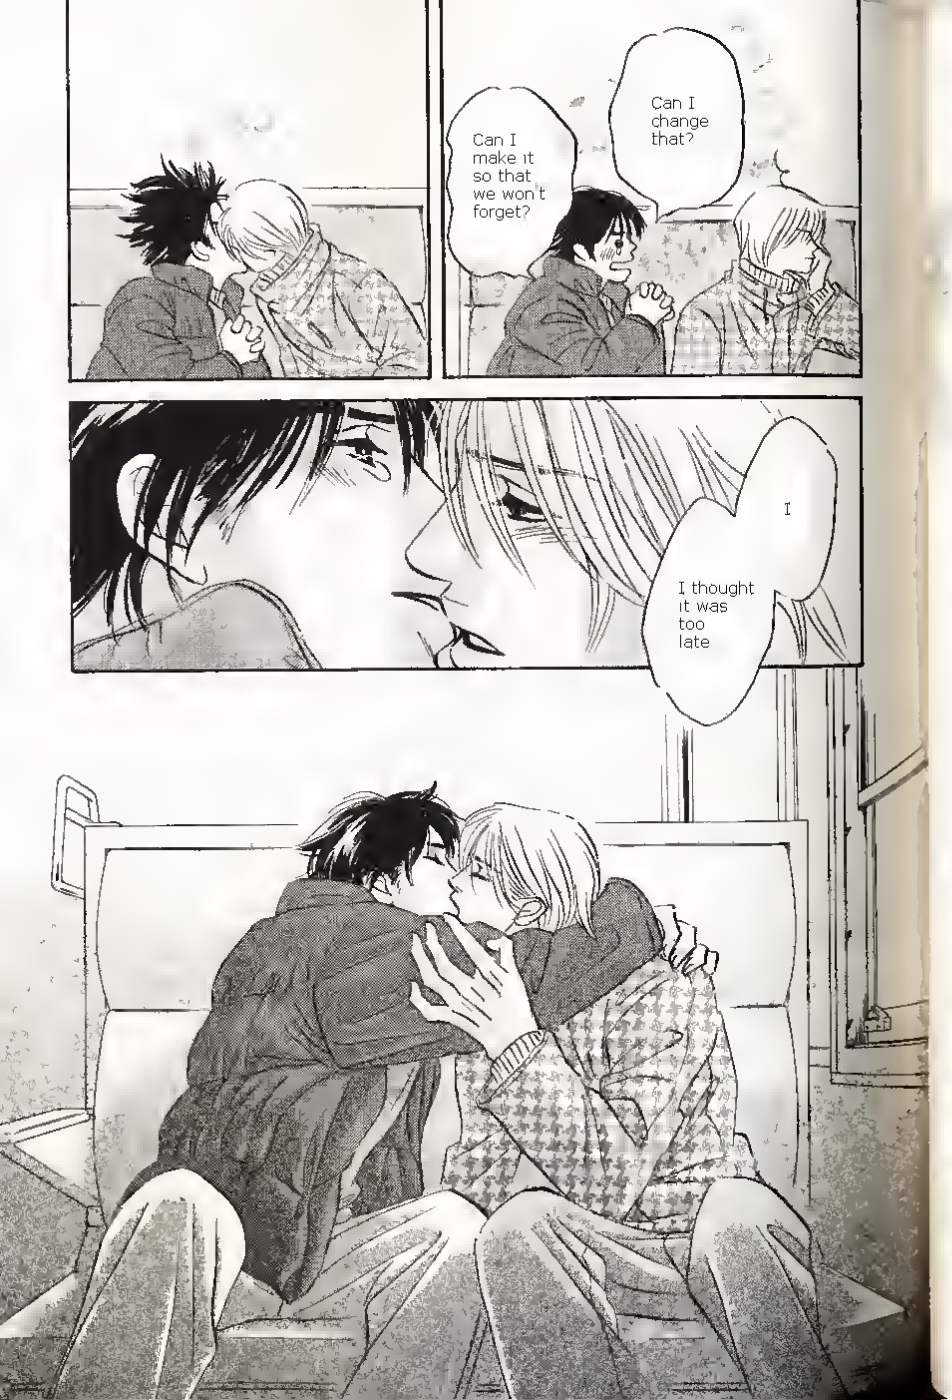
Huh? Ryuuji?
What are you doing here?
It's the one I gave you a long time ago, isn't it?
.....
This
Oh
It's a toy!?

Osaka?
Hey! Yutaka
Oh right, housing hasn't been announced yet
.....
Yanagi! You're going to Eto's too? Really?
Where are you staying?
The world is mine
I don't know yet
Aren't you a little too happy?
Why Osaka?
Earlier...

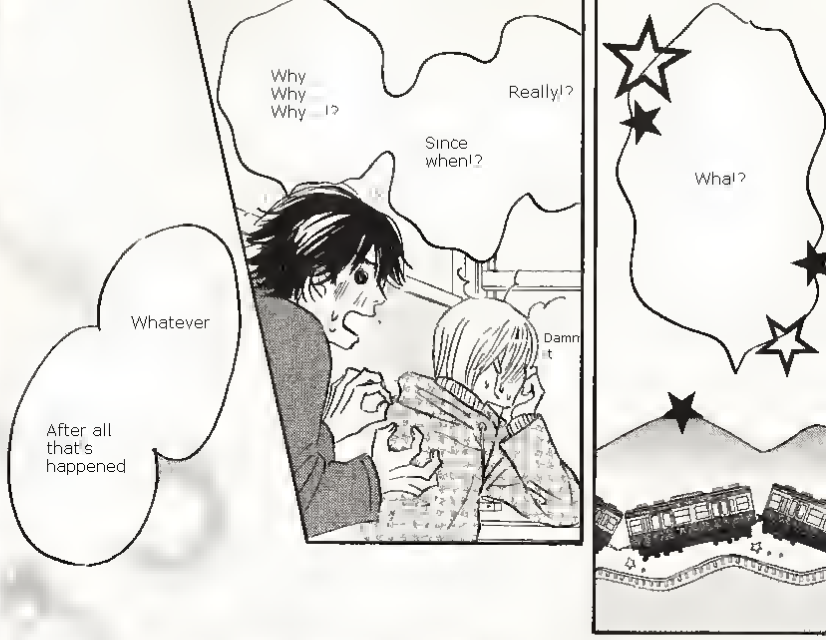
Oh! I have to get off now
Huh?
Tsuda-numa
But Yutaka-san seems alright with it
I don't know what they've decided
Yes
And it's ok now
So Yutaka's that kind of person
I'm going to meet up with that guy from the bar ♡
Oh
And Eto-kun?
Ryuu-chan's going to R University in Osaka
♥ Good luck

But
I love you
I love you too
What is this feeling then?
Oh!

I thought he really stabbed him
They were always fighting
It was hard on them both
When they finally broke up last year, things got better
I thought you liked Yutaka-san
You're joking!
Oh
I can't understand that kind of feeling
Just watching him
Tuck his hair behind his ear
Even something so simple can be bittersweet
I don't understand it either



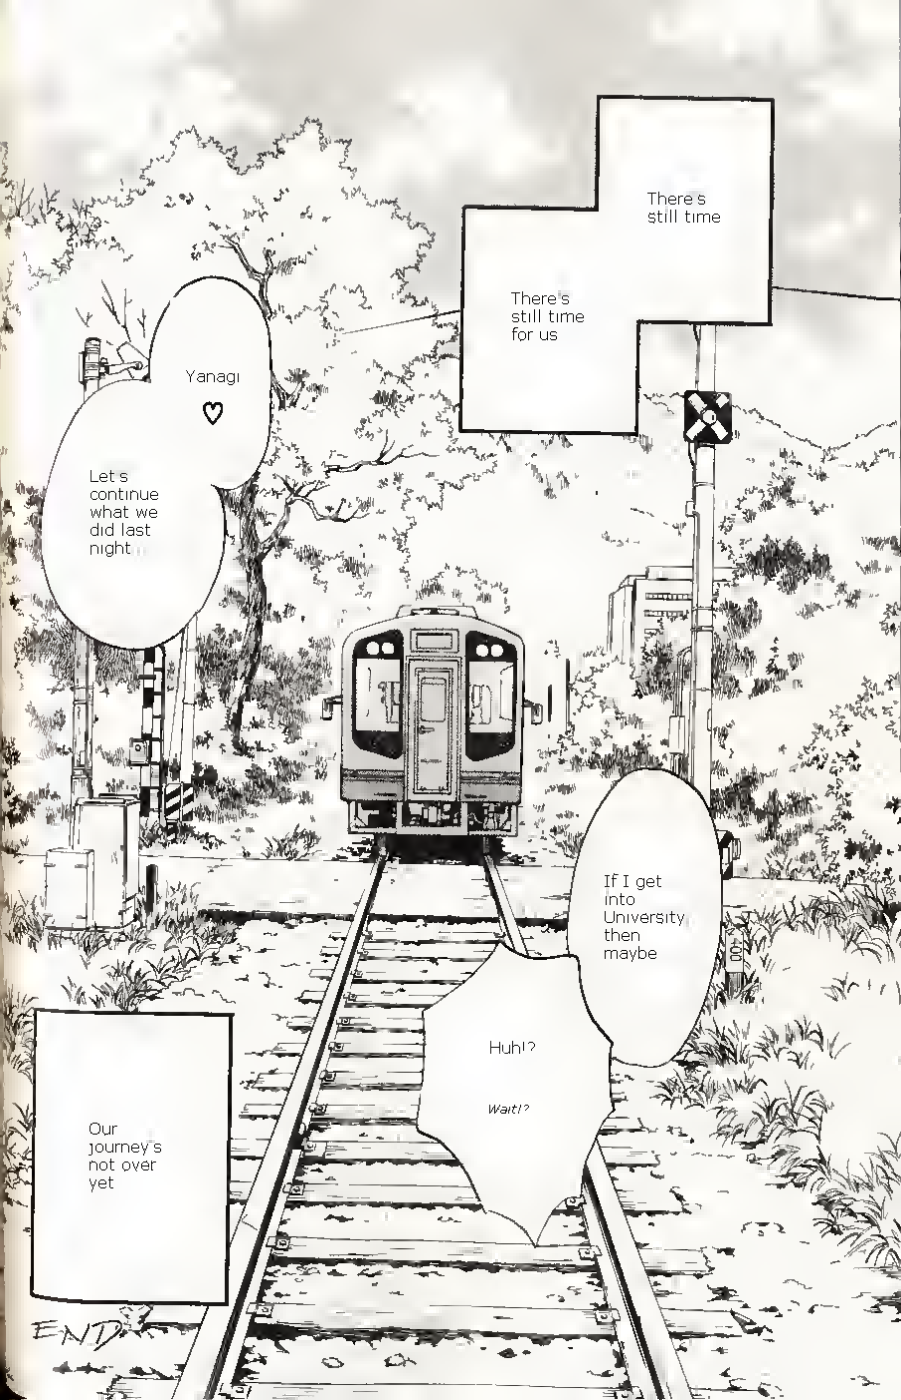
Can I change that?
Can I make it so that we won't forget?
I
I thought it was too late



Why Why Why !?
Really!?
Since when!?
Damn it
Whatever
After all that's happened
What?

But with everyone listening and watching
We always been friends
And suddenly you tell me how you feel

Huh..
Like it doesn't matter anyway, because eventually memories just fade
You act like nothing's going on



There's still time
There's still time for us
Yanagi
Let's continue what we did last night
If I get into University then maybe
Huh!?
Wait!?
Our journey's not over yet

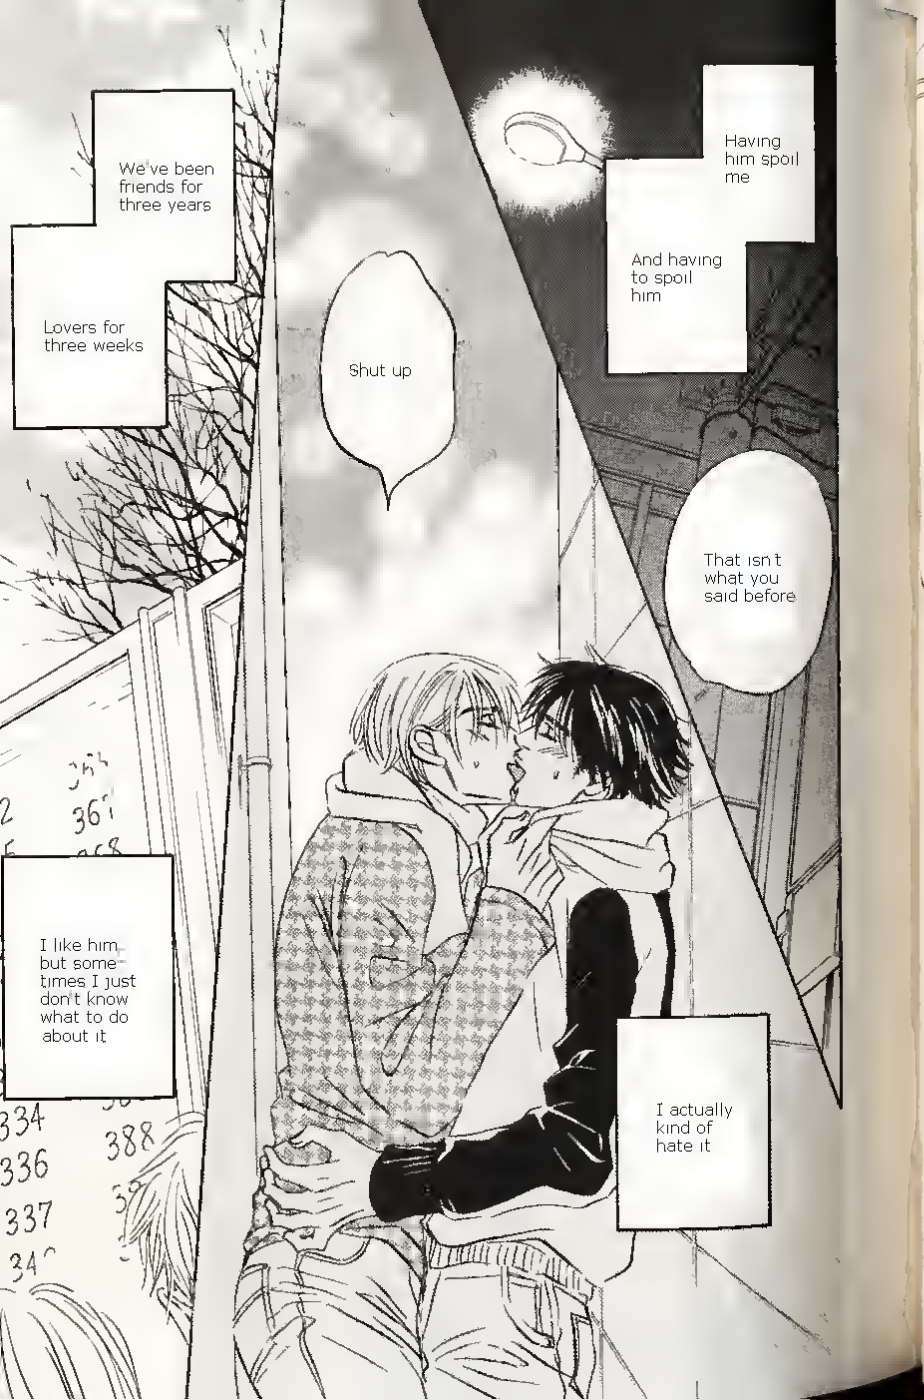
Hate to Love

From Yamada Yugi's Shinuhodo Suki One Shot Collection

I thought it was impossible anything would happen with him
It's impossible
Well, I'll meet you tomorrow at 7:30 at Takegaoka Station
What fate?
Good night!
Eto s going to Osaka University
I'm hoping to go to R University in Osaka
I'm so nervous!
We're going to check the exam results tomorrow
You're probably only thinking about getting some
Our fate together will be decided tomorrow
What are you talking about?

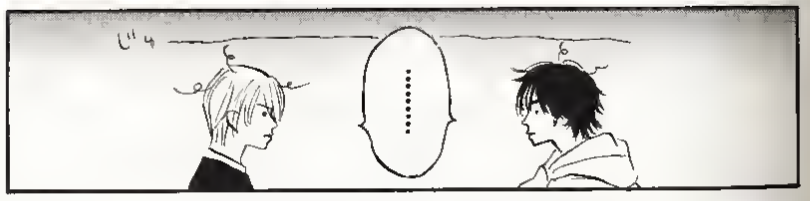
Doesn't liking me make you gay?
Didn't you have a girlfriend for two years?
We've been in the same class for three years
We've been such good friends
But what's the reason?
You've like me all along?
It won't work we're both guys
You should just take it back
It'll mess things up between us
Do you understand?
You don't get it, do you?



We've been friends for three years
Lovers for three weeks
I like him but sometimes I just don't know what to do about it
Having him spoil me
And having to spoil him
Shut up
That isn't what you said before
I actually kind of hate it

Hey
Huh?
Let's go to the convenience store
There isn't one near my house
If I get in we're going to rent an apartment together
Over here!
How long are you going to stand there waving?
Don't hang all over me
Before he was really annoying like a dog
But now
Yea
Ok sure Anything's fine with me
I'm used to it
You're so cute Yanagi

I'm ok with a long distance relationship
Wouldn't it be better if we broke up?



……

Heart-felt honest opinion
I really don't think it will work
I do
Where do you get that confidence?
……
At first we'll keep in touch everyday but then we'll get busy and three days will pass, then it'll be a week, and soon after that someone will start cheating
That is
Because
It's hard
We can't be together because we're going to different schools?

But you got in somewhere else right?
Right now I want to hit you

Hey, are you listening?
How about you come over then?
I don't really...
So are you doing to do some sightseeing in Osaka before you go home?

We haven't even been going out for a month
We can still go back to being friends

Everyone stares
It's all their fault...
Look, it's that guy from the fake stabbing incident
Then don't invite me to visit
Ryuuji
How's Yutaka?
He's fine

I'm just worried about him
Why would you ask me? How would I know?

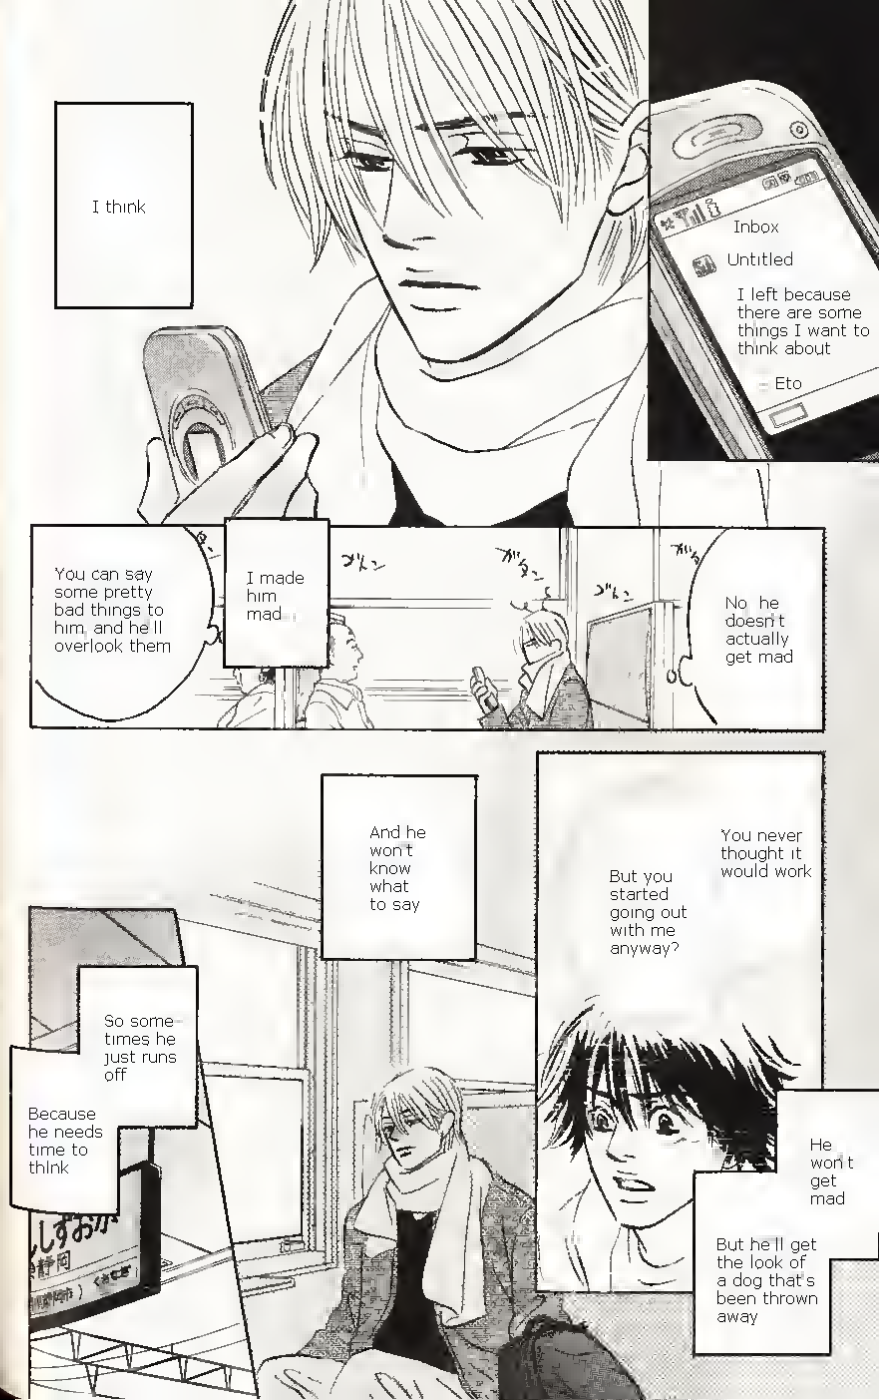
I was surprised
You were the one who brought him all the way here



I think

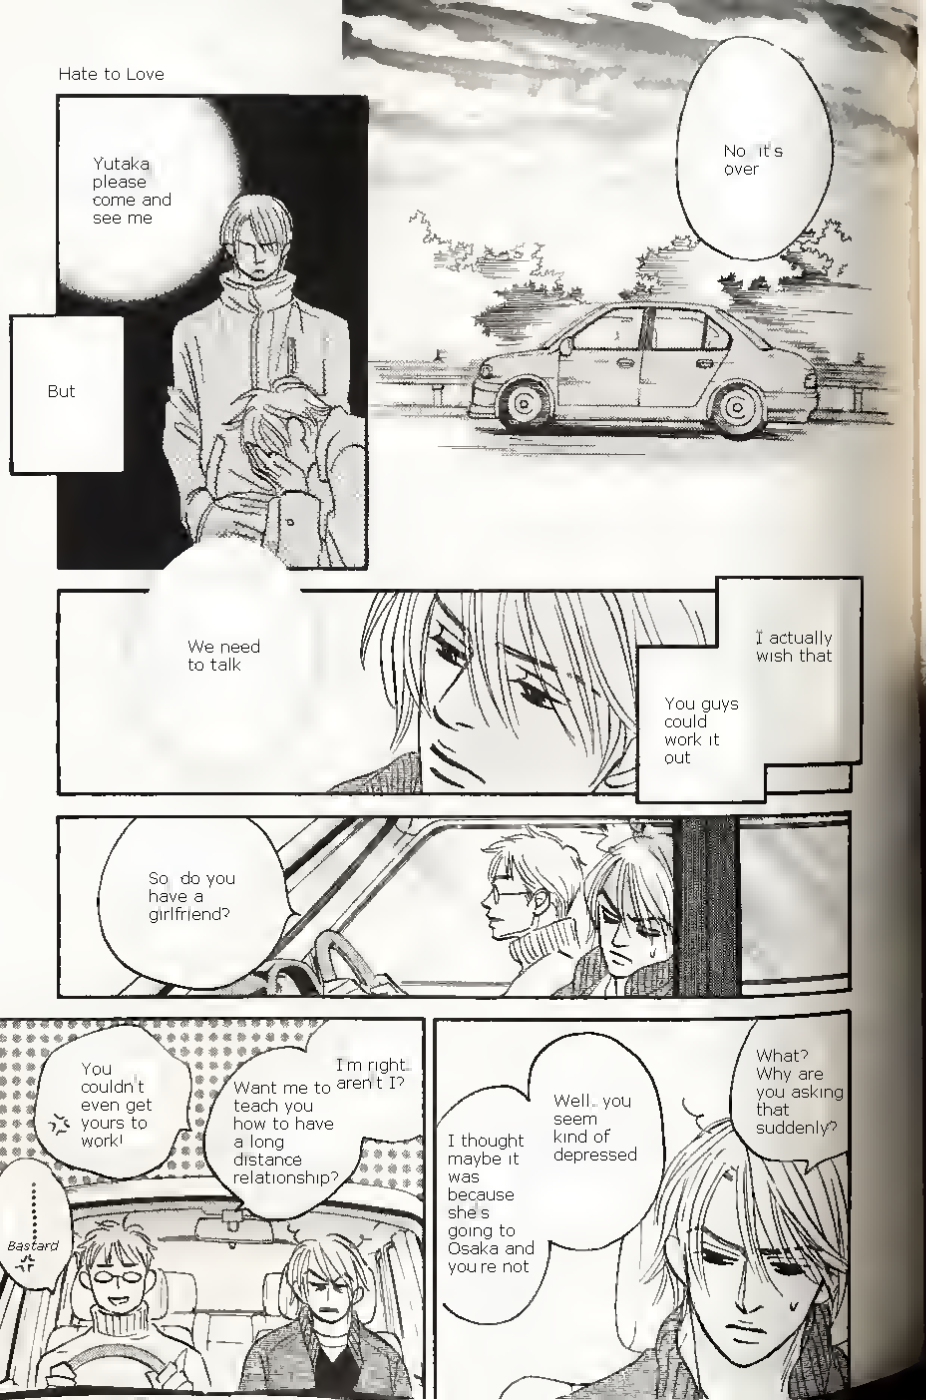
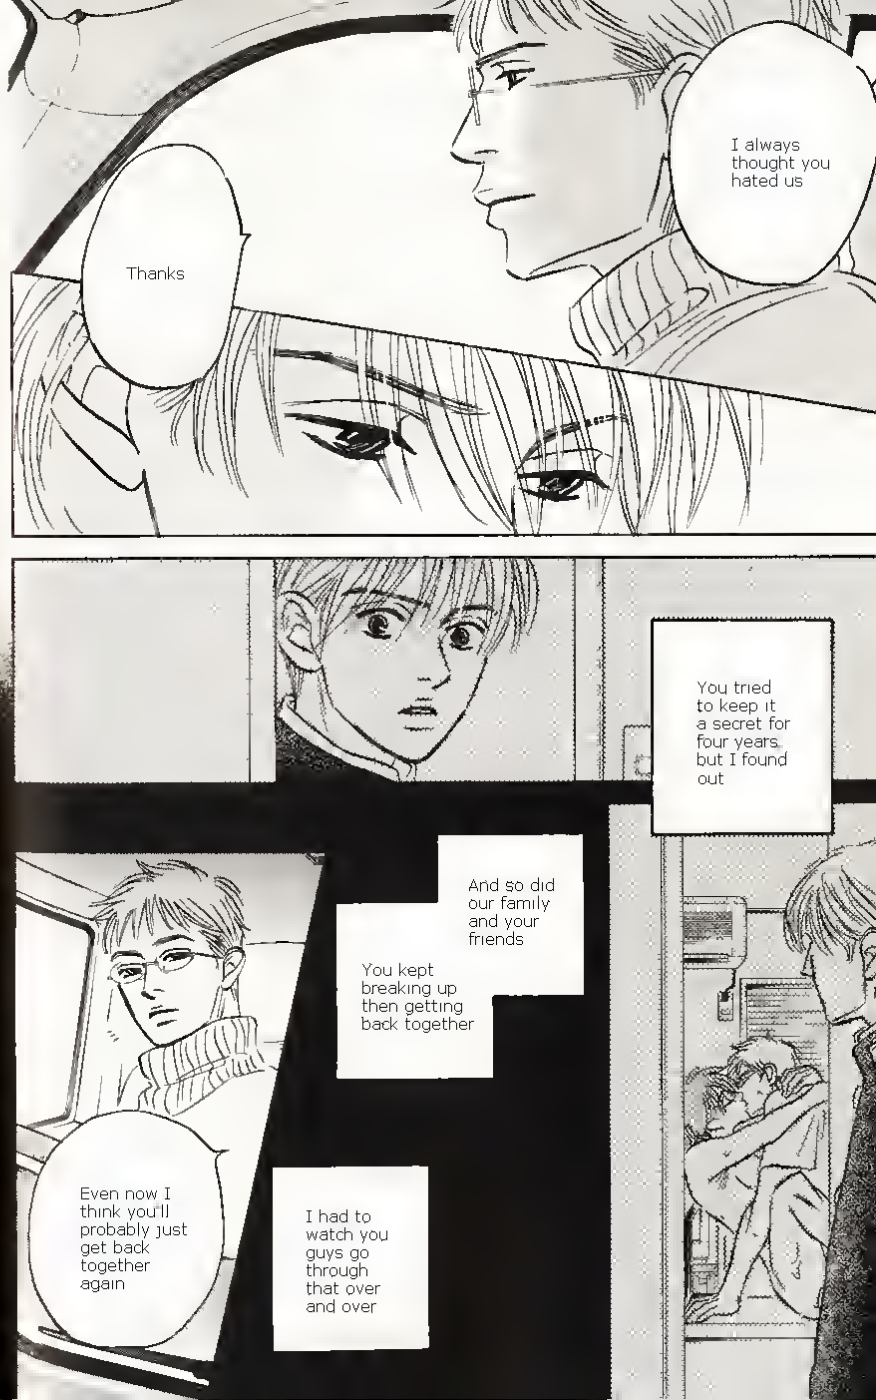
I left because there are some things I want to think about
Eto
You can say some pretty bad things to him, and he'll overlook them
I made him mad...
No, he doesn't actually get mad
And he won't know what to say
So sometimes he just runs off
Because he needs time to think
But you started going out with me anyway?
You never thought it would work
He won't get mad
But he'll get the look of a dog that's been thrown away



Yutaka please come and see me
But
No it's over
We need to talk
I actually wish that
You guys could work it out
So do you have a girlfriend?
You couldn't even get yours to work!
I'm right aren't I?
Want me to teach you how to have a long distance relationship?
Bastard
What? Why are you asking that suddenly?
Well.. you seem kind of depressed
I thought maybe it was because she's going to Osaka and you're not



Thanks
I always thought you hated us
You tried to keep it a secret for four years, but I found out
And so did our family and your friends
You kept breaking up then getting back together
Even now I think you'll probably just get back together again

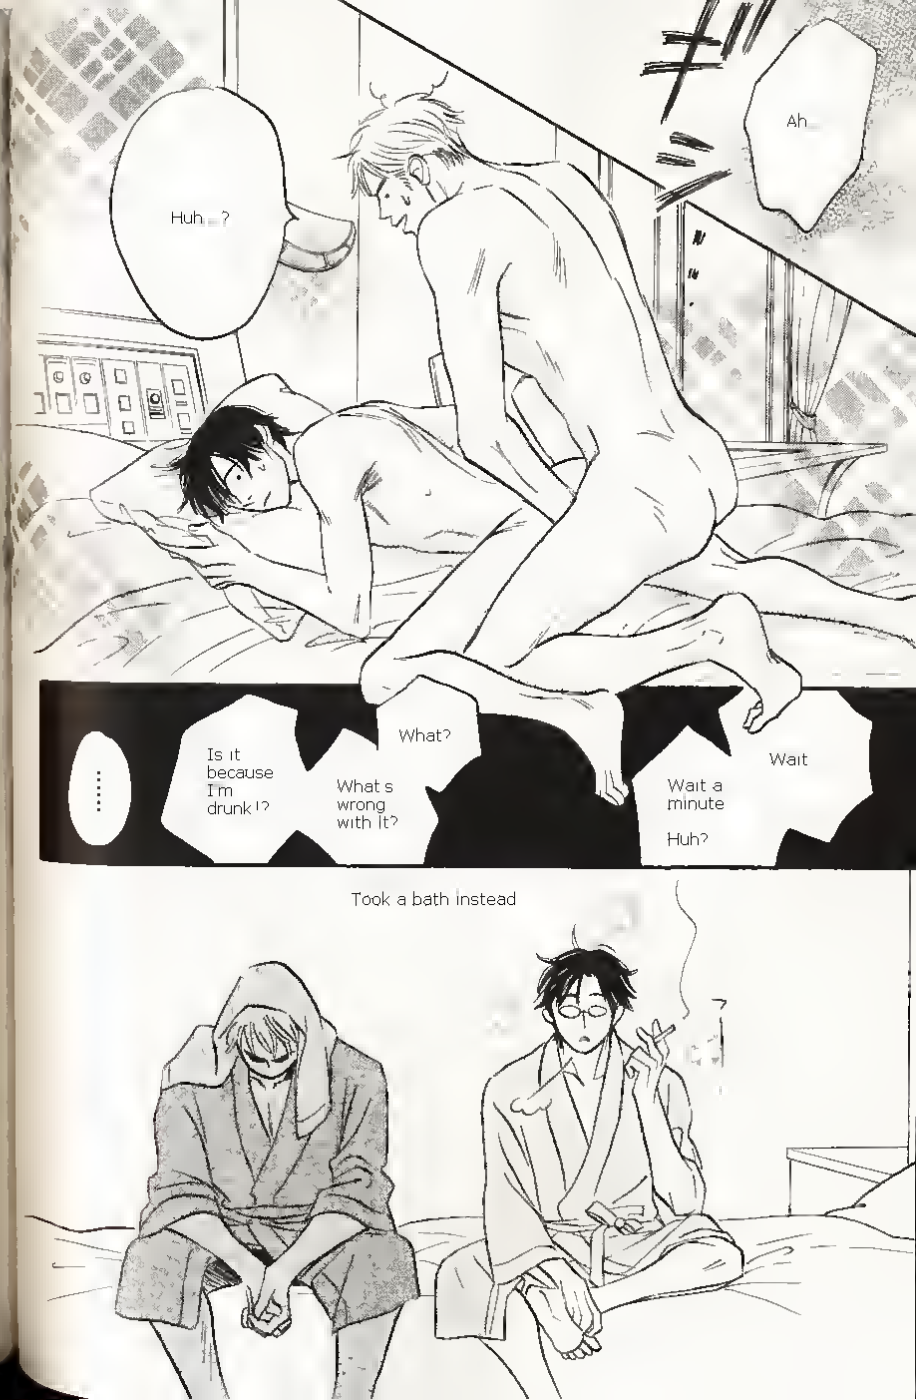
Two guys?
We work on the same floor but we've never talked to each other before
Nn
There will probably be a rumor about it at work tomorrow
This is why I hate love hotels ...
That's the new guy
He seems nice and all but he likes to talk
This probably means he wants
Mr Yoshimura?
Are you doing anything tonight?
What are you thinking about?
Money
It's nothing
But I can't lose this job I won't be able to find another one
Oh no If I pay him once he's just going to keep asking for more
With you I'm fine with that
You're just curious You'll even do it with someone like me
Shh
Be quiet
Is this really your first time with a man?
Yes
Like I said before
Huh?
You know my first name?
Boss
Can I call you by your first name?
Liar
He's got such long eye lashes
Keiichi san
I've always wanted to call you that

Are you stretching yourself?
I wonder if it'll fit
It's so big
Wow
Kelichi-san, you're really good at this
Nn
Nn
Nn
You slut
You want it that bad?
Ha
Ah
You're so cute
I...
Kind of want to go somewhere else now
He wants my body?
Huh?
What?
Yea Probably
Sakura-kun...
You're drunk, aren't you?
I don't know what I'm thinking
He's really beautiful
Ah
That feels so good...
I guess I'm just feeling lucky that I'm going to get to do it with such a cute guy

Well you're acting like a little kid
That thing of yours is really big though
Can you stop talking to me like I'm some little brat with a problem?
It happens a lot
So don't worry about it too much okay?
It was fine earlier
Yes it was hard it was hard
It doesn't!
Right right of course not
This never happens!
Is that it?
It's alright
Now you know you can't do it with guys
Then you should just do it with your girlfriend
She wouldn't let me
I tried
No!
If you're looking to do it in the back you can always try a prostitute
Well



Huh?
Ah
Is it because I'm drunk!?
What?
What's wrong with it?
Wait
Wait a minute
Huh?
Took a bath instead

And he's acting like nothing's happened
Yea
That's just like him
It looks like Yoshimura's getting yelled at again
You don't remember the first time we talked at all
I thought brats weren't your type
I said you are cool not that you are my type
But it doesn't matter, right?
He doesn't care what other people think
Hm
At first I thought it was stupid
He probably just can't admit that he made a mistake
So there really are people like that?
Um

Well, this is the first time we've really talked to each other
どっ
You know, you're nothing like I thought

Yea
Really?
Huh?

You're making it sound like I just have to find a way to get some anal sex
You obviously can't force her
It can be hard at first
I'm not even trying
I'm wrong?
Sorry

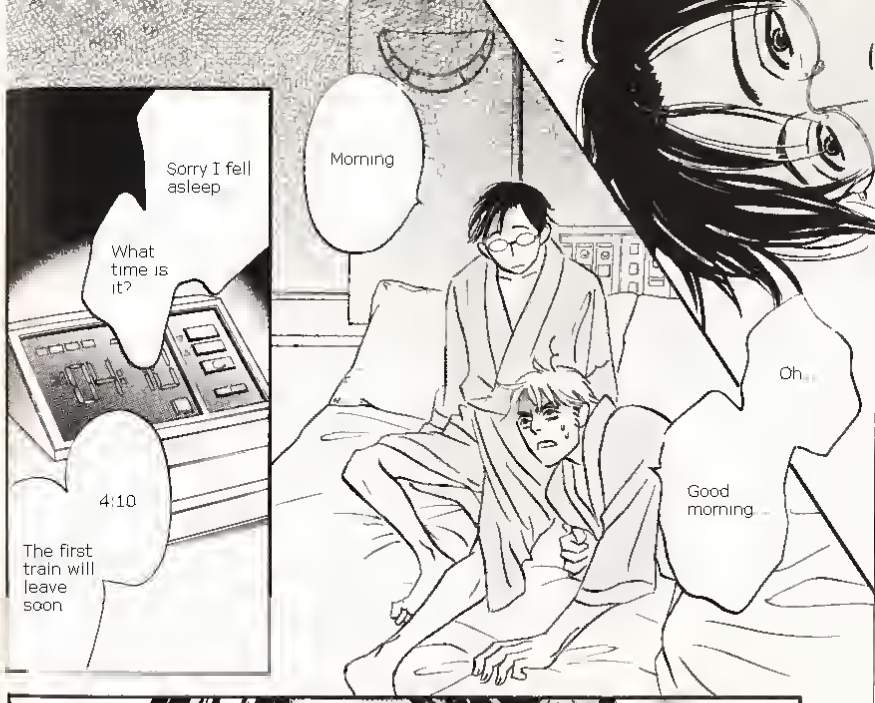
It's not like I would forget if I had talked to someone as cool as you
Liar

He must have heard the crows calling in the morning that day too
Uh
They were telling him it was time to leave
But he didn't want to go
Hey! Yoshimura!
Huh...?
Sorry, did you want something?
Yes? Coming coming
Uh... no...
I want to kill all the crows
And sleep in with my lover
Sorry, I fell asleep
Huh?
Oh!
What's with this guy?
Are you okay?
Uh, yea...
I want to kill all the crows~
And sleep in with my lover~
That song...
He doesn't care at all...
A few days later
I knew I had heard it before somewhere
I heard on TV that it was a famous love song
From the story "Three Promises"

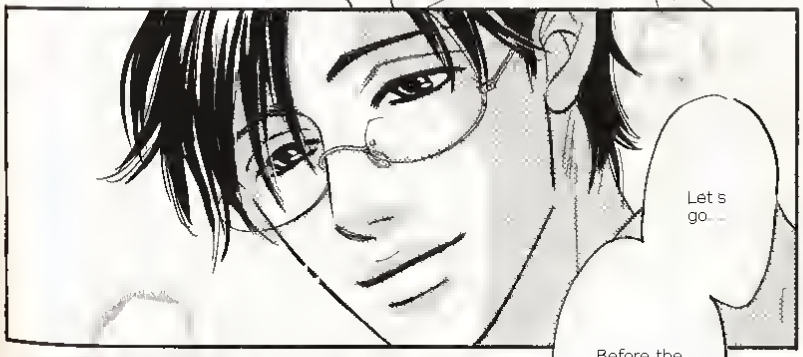
I'd feel bad leaving like this
And my pride won't let me
It's alright it's alright
What are you doing!?
What?
Huh?
There's still time right?

Ah
Don't play with me like that...
You know
I like it when you get all worked up

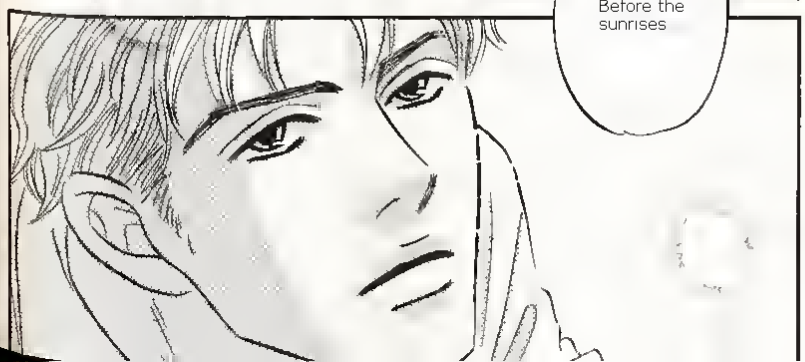
Why are you...
The alcohol wore off
You're lying...
.....



Sorry I fell asleep
What time is it?
4:10
The first train will leave soon
Morning
Oh...
Good morning...

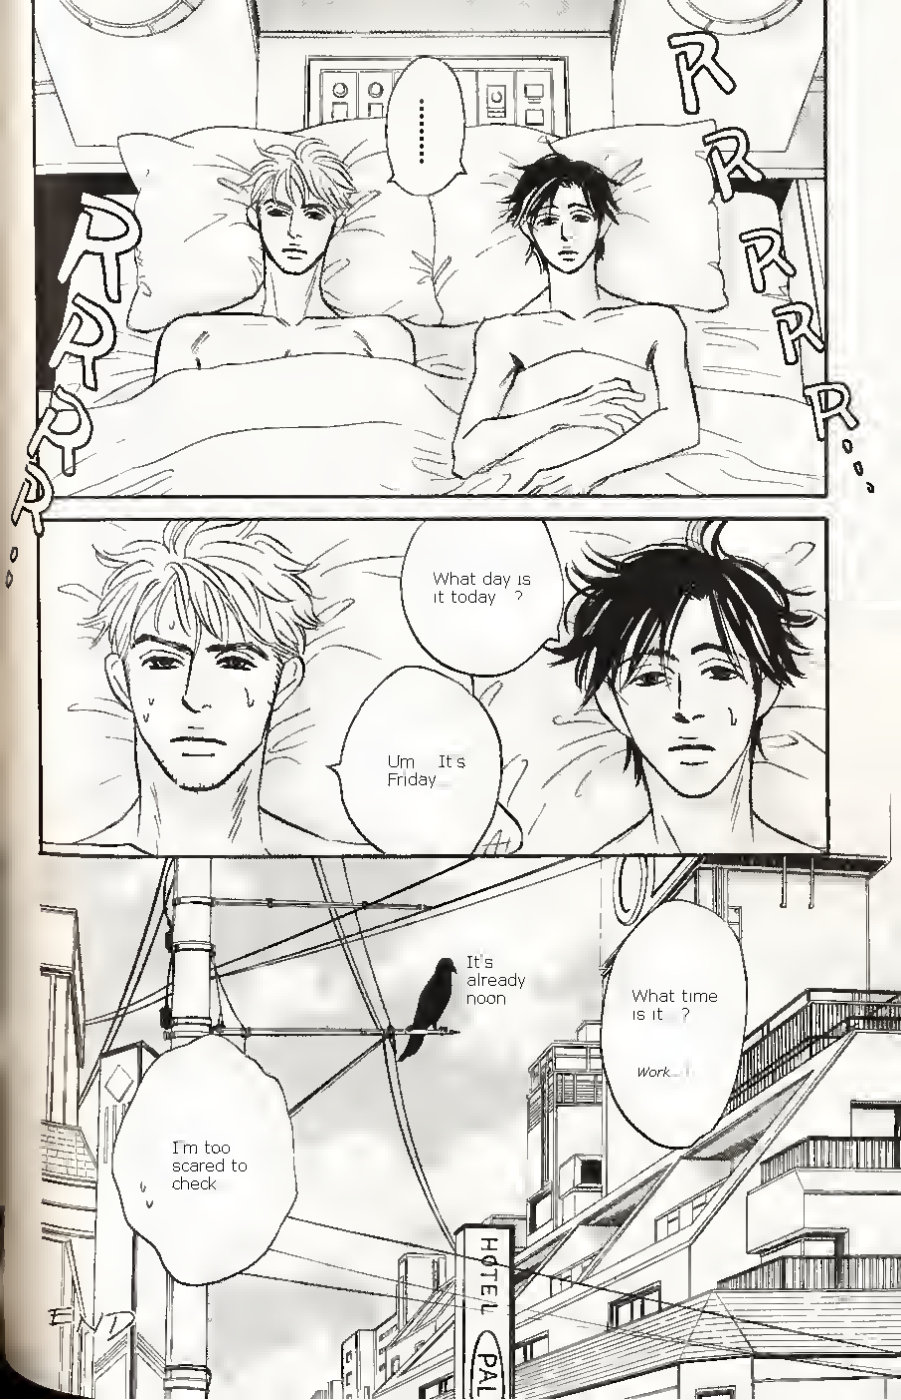


Let's go...



Before the sunrises

Nn
Ha
I guess this proves it
Told you so
Ah
Ah
caw
caw
caw
Yea I'm just curious
But if it weren't for you I wouldn't be Boss
My name
Ah
Kelichi san
You know it right?
Say it
Ha
Ha
Yea
Like I said I was just drunk
Ha
This time
It looks like we can do it



.....
RRRRRRRRRR
What day is it today ?
Um It's Friday
What time is it ?
Work
It's already noon
I'm too scared to check
HOTEL

Let's have drinks sometime then
No way! Sakura-kun, you're from Nakano?
Me too
I went to T University
I know it very well There's a good bar there
Thanks for everything
No Thank you
Well
See you on Monday then
What's with that look?
He's doing it on purpose
That's not fair! I want to come too!
If you ever feel like doing it again, just call me
Good night
He's young and handsome
He's great at his job
Soon he'll just get tired of me...
No new messages
It's not like we agreed to anything else though
He's probably just looking for some casual sex
He sleeps with me at night, but the next day he's all over the office girls
It's nice having a boss who's distant and cold, but actually likes guys
Today he left right after doing it again
Yea
We only ever go to each other when we want it

Huh? You're still here?
Mr. Yoshi-mura?
Yes?
It's finally over
The manager has too much free time
It's the weekend and he went into overtime yelling at me

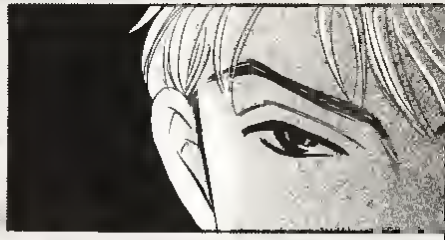
He's getting yelled at again...
Yoshimura-kun! Are you listening!?
Why hasn't he messaged me!?
He said he'd call
It's the weekend already
How can that slut not want it yet?

Yea

Are you free tonight?

Why does he always look upset when he asks?
Maybe he's not having fun anymore
Why do I always have to be the one to ask?
I'm not even gay

And he's not even listening



Ahh...!
Ah
Huh?
Ah
You've been sleeping with other guys!?
When!?
When have you been doing it with other guys!?
Ah
Ah
It's been a whole week I just couldn't wait
Ah
Ah...

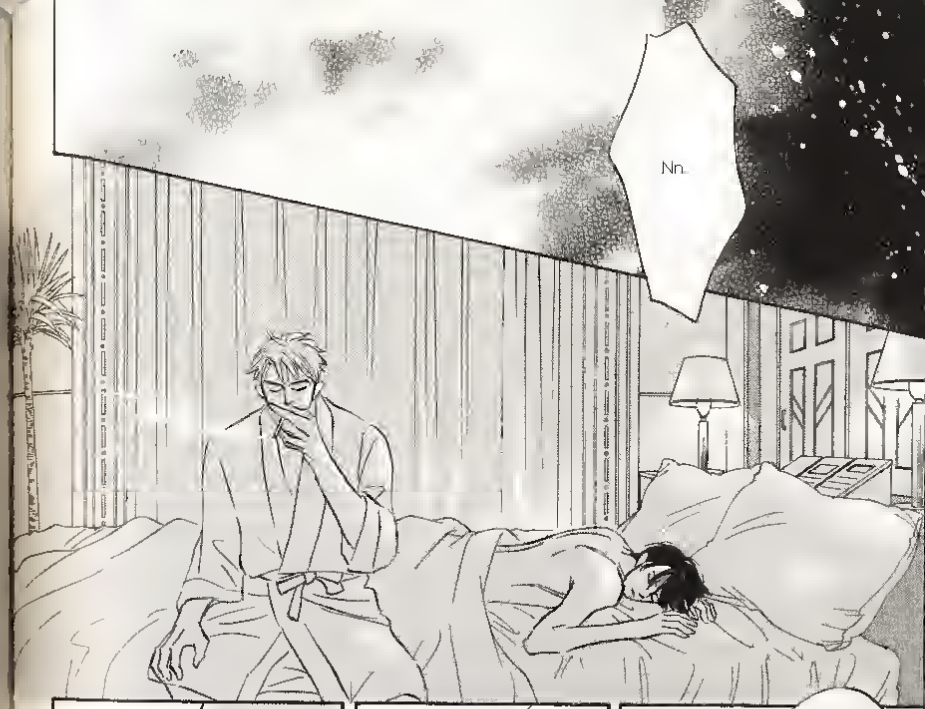
Oh, well
It doesn't really matter
Yes...
That feels so good...
Does it really?
Yes
More...
Ah
Ah
You're such a pervert Kelichi-san
Deeper
Nn...
You really are the best
Ah
In the end

Really?
Keep bothering me?
I didn't want to keep bothering you
You've never even asked me once!
Really!

Oh
But I'm not fun to be with, right?
Isn't that why you flirt with all those girls?
No
Not exactly

Well, I won't be the one to ask

You're not even gay, right? You're looking for a girlfriend
So it doesn't matter who you flirt with, and it doesn't matter who I sleep with
If we were lovers, I wouldn't sleep with anyone else



Nn.

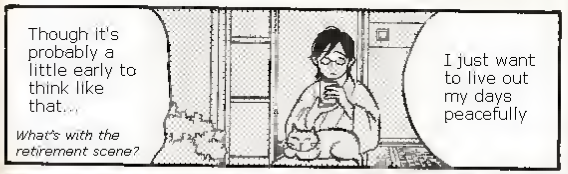
Why do you go to other men when you can just ask me?

No, not at all
Then why-

I thought I was going to die
I'm old Don't be so rough with me
So I'm not good enough?

I guess this won't work out
This is the first time I've watched him sleep
Our first time I fell asleep too
After that...
You're leaving ?
I can probably still catch the last train
Oh, then I'll

You look like you'll be too much trouble
You don't want to!?
And I'm not looking for a relationship right now



Though it's probably a little early to think like that...
What's with the retirement scene?
I just want to live out my days peacefully

Then we should start dating...
Huh?
No

I'm too old
I don't think I could stand being dumped by someone young like you
The longer I live, the more my pension is worth
Sorry... I want to get some sleep now
あぶ...

It's like he really believes that
This will only be a dream when he wakes up
Oh sorry I woke you up
What song is that?
Huh?
I've heard it before somewhere

Thanks for tonight
You'll probably never call me again, but I had a really good time
Oh
No...
I should be the one to thank you
No, why don't you stay?
That's how we met
...
Besides, if we leave at the same time, we might run into someone we know...

I'll see you at work
So I'm going to leave now
I'd be sad if I woke up in the morning and this was all a dream

He always leaves right after we've done it
He never stays until morning
If you ever want to do it again, just give me a call

You're hopeless
Hm? What are you talking about?
!!
It works just fine!!
You know
The girls would faint if they knew your secret
Couldn't get it up the first time
What a complicated personality
You're such a
I think it's cute
Damn it
I hate showing people my weaknesses
You only see my bad side...
Brat
You're making fun of me again...
And I hate being called cute

* 7-7-7-5 are the syllables in the lines of the poem
I didn't know that...
And it's actually a poem, not a song
I only heard you singing it...
?-?-?-5 *
Huh?
It's the one you're always singing
Kill all the crows?
You're really bad at it
You probably shouldn't sing it in front of other people...
.....
But I can't get it out of my head
Just like I can't stop thinking about you, and how much it bothers me that you're sleeping with other guys
Why can't we be together?
What we have isn't something easy to forget about

So the title of the chapter probably makes no sense

It's actually a reference to some Japanese literature

The last story was called "Akegarasu" (Morning Call)

This one is titled "Yume no Awayuki" (Snowfall Dreams)

"Akegarasu Yume no Awayuki" is an Edo period story

It's about a man who falls in love with a prostitute
He runs out of money to pay for her services, but she's fallen in love with him too
So he steals her away and they commit suicide together

"I want to kill all the crows, and sleep in with my lover"
The song they sing is an Edo period poem based on this story

Thanks for the literature lesson, Yamada sensei

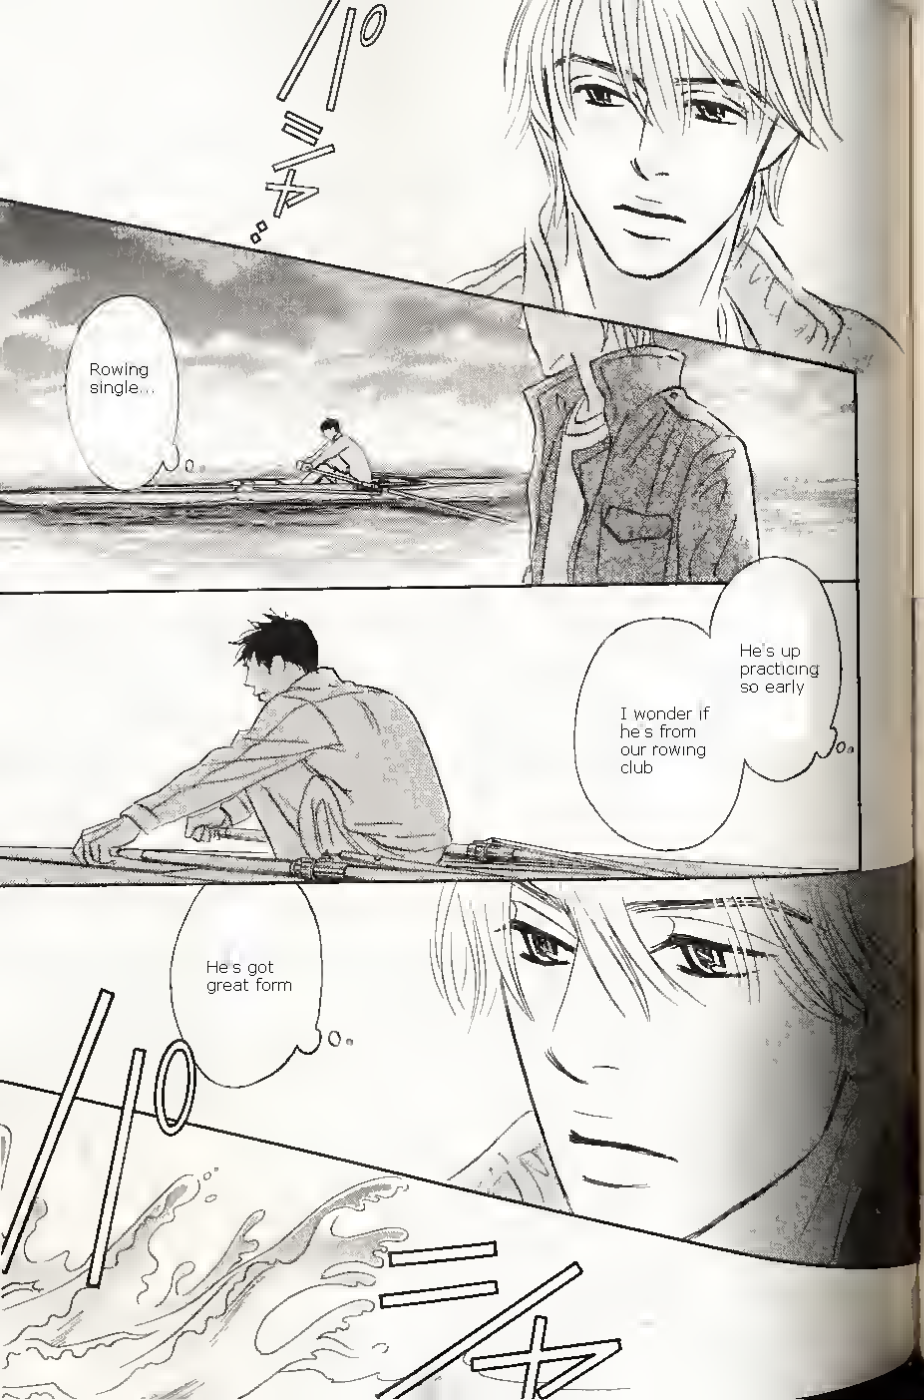
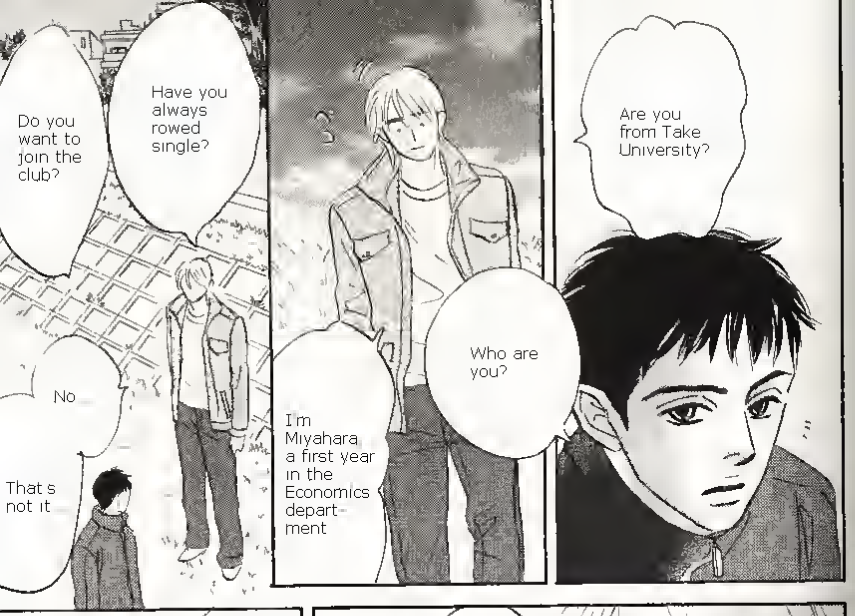
Kuro's impossible
He's a second year singles** ace
With a personality like his, doubles wouldn't work well anyway
First years only get to use the 2000 m one!
Oh, I'll use it
I'm done here
The next person can use it now
Don't make it sound so weird!
Just asking him if he'd row doubles* with me
* Two people in a boat
He doesn't talk to anyone but Hatanaka-senpai
And he really keeps to himself
** One person in a boat
Um
I don't know
Oh
He laughed
Why are you still after that guy?
Please?
Give me one chance
Please let me do it
Kuro-senpai
Miyahara!! You're rowing! * What the hell are you talking about!?
* Competitive boat rowing
I think we're a good match
I think we can make it feel good for each other



Rowing single...
He's up practicing so early
I wonder if he's from our rowing club
He's got great form

The Take University Rowing Club
It's not very exciting
It has ten members and doesn't hold any records
竹大漕艇部
Take University Rowing Club
Attracted ...!?
Even though he's a guy, I'm strangely attracted to him
Today's the class party
Cheers!
I tried some rowing in high school
But I really don't have the patience or passion to keep practicing
Let's introduce ourselves
Yea ... There are lots of girls ...
I just want to have fun
I wonder if I should skip class ...
I drank too much...

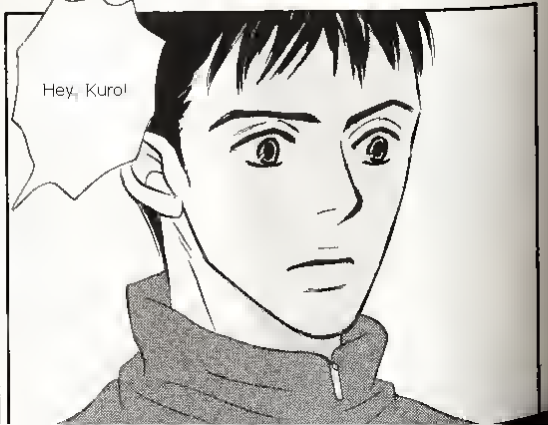


Do you want to join the club?
Have you always rowed single?
No
That's not it
I'm Miyahara, a first year in the Economics department
Who are you?
Are you from Take University?

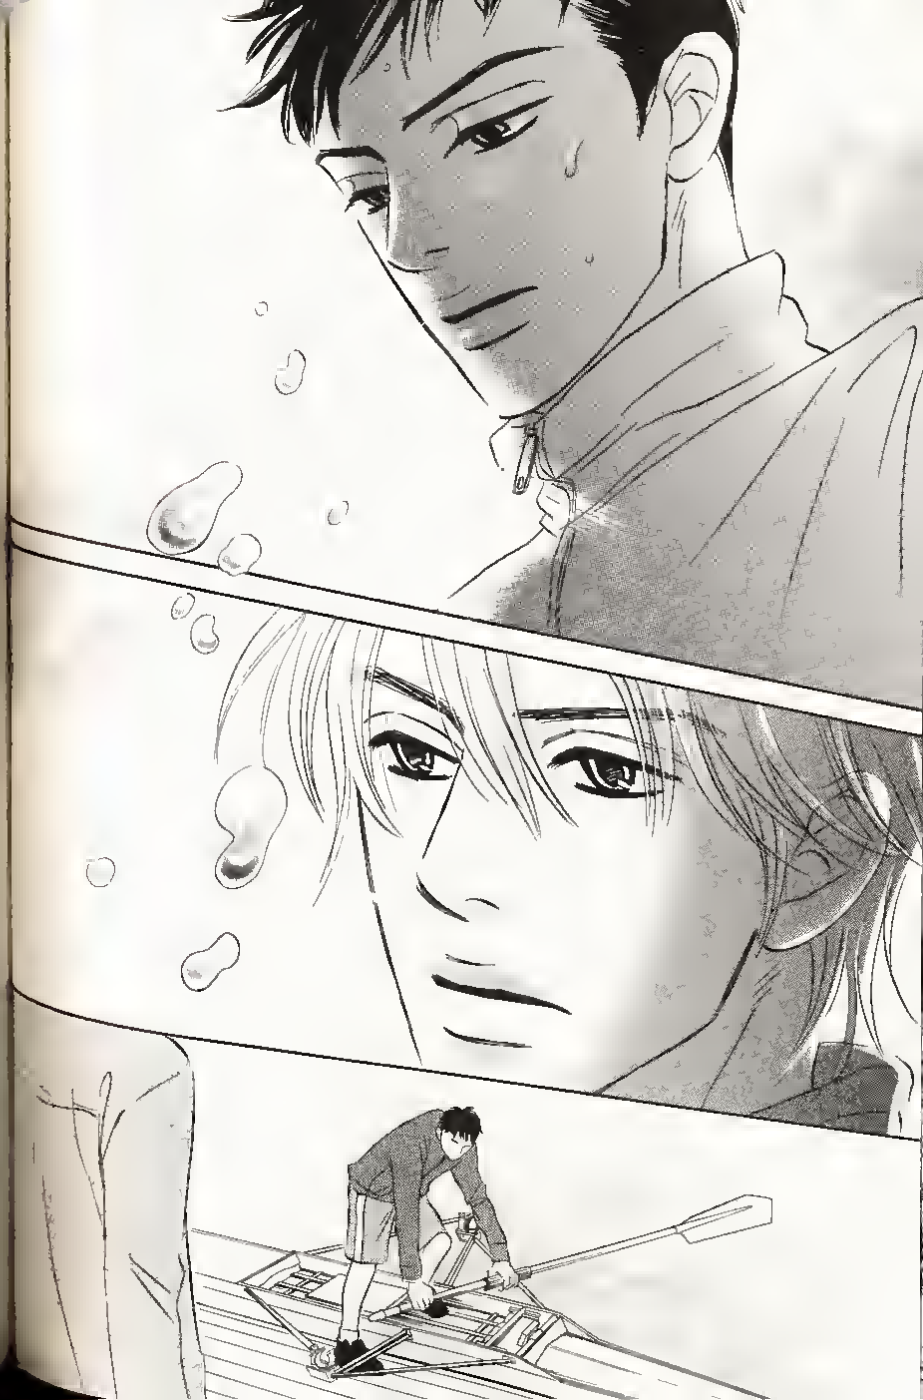
You're up early
Who's that?
Good morning

But
I think we'd make a really good pair

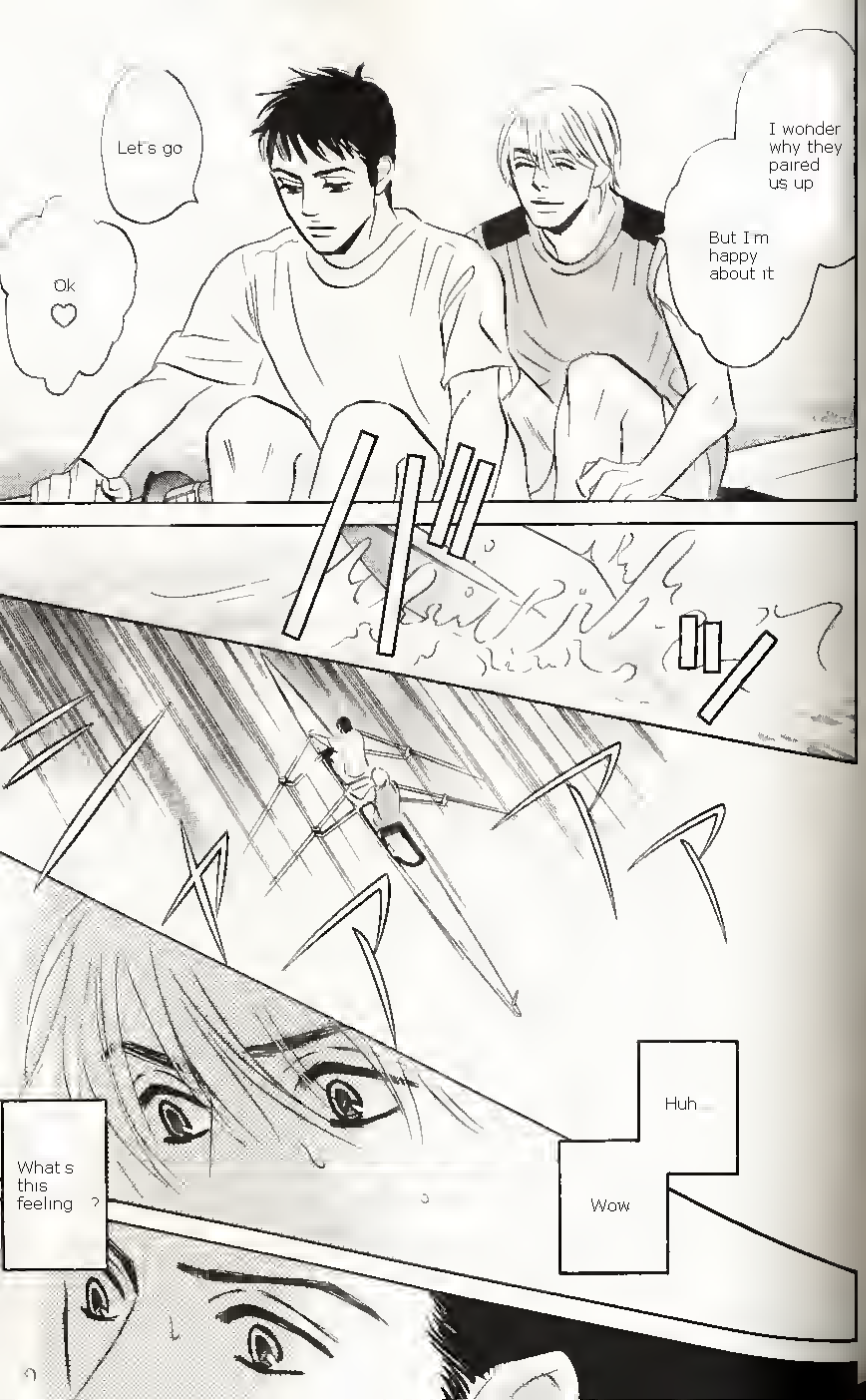
Oh! Really!?
A first year who wants to join the club
No, I haven't decided yet....



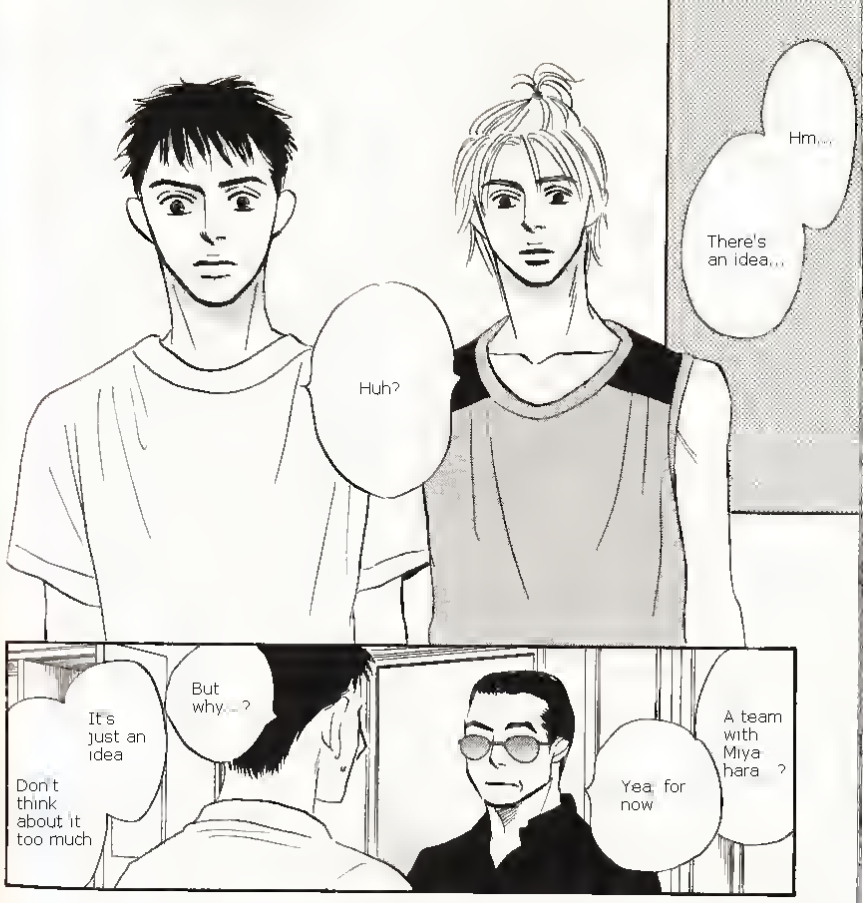
Hey, Kuro!



Is that the only time we've really talked?
I think he hates me
Two months later
6"48'52!?
Uh...
Why is he always after Kurotani?
He wants to row doubles with Kuro
I don't know how serious he is about it though
Um... Can I go now...
Ha
Ha
Ha
Huh?
Yea
Kuro-senpai~
You got 20 seconds better than the club average
That's amazing
A beginner getting 6 minutes?
Club President
Coach
Ha
Ha
Ha
Well, I only want to do it by myself
So you want to row doubles with me?
Kuro
Huh?
I do doubles
Oh? You want to do doubles?
Maybe because he makes it look fun
Last year he made it to the semi-finals in the singles division
He only started rowing in university He practices so much harder than the others
I wonder why I want to row with him
Kuro-zawa...
Kuro-da...
Kuro-ki...
It's Kuro-tani
And I'm Hatanaka, a fourth year

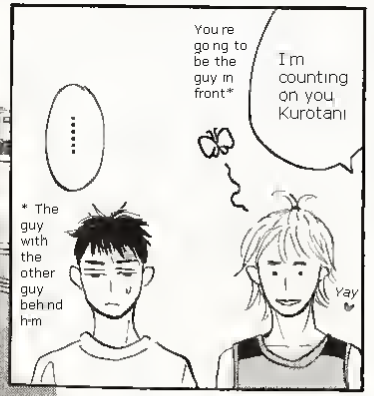


Let's go
Ok
I wonder why they paired us up
But I'm happy about it
What's this feeling ?
Huh
Wow



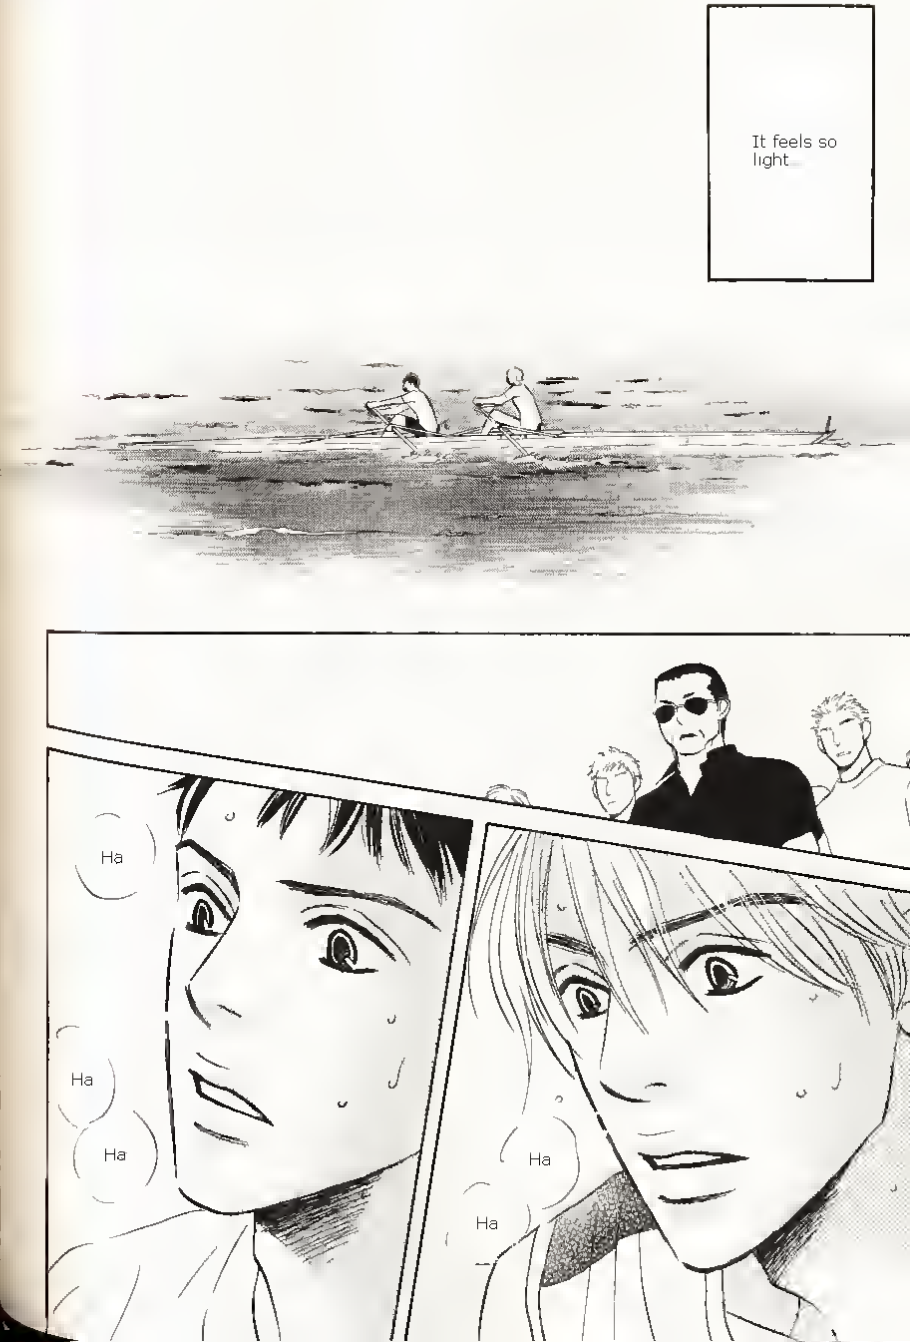
Hm...
There's an idea...
Huh?

But why...?
It's just an idea
Don't think about it too much
Yea, for now
A team with Miyahara ?



You're going to be the guy in front*
I'm counting on you Kurotani
.....
* The guy with the other guy behind him
Yay

Are you okay?
You...
Woah
Are you serious...?
About wanting to row with me?
Haha
It's ok People always think I'm joking...
But I'm serious
Huh?
He's laughing
Sorry
You thought I was joking?



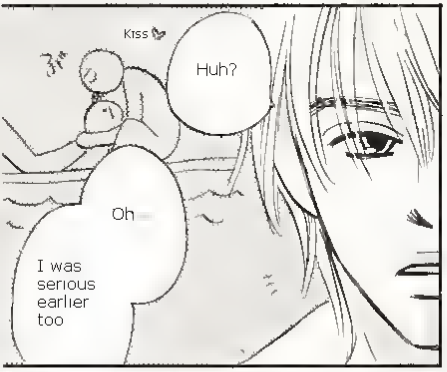
It feels so light...
Ha
Ha
Ha
Ha
Ha

Nn!
You !
What the hell were you two doing?
Uh Getting to know each other better
.....
Whatever
You two are a pair from now on
Huh!?

That felt good...

What was that earlier then?

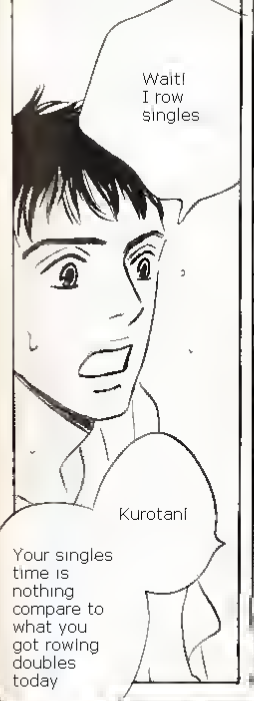
I don't want row with someone who messes around like you
Huh? Are you mad about something?
What? But I'm always serious



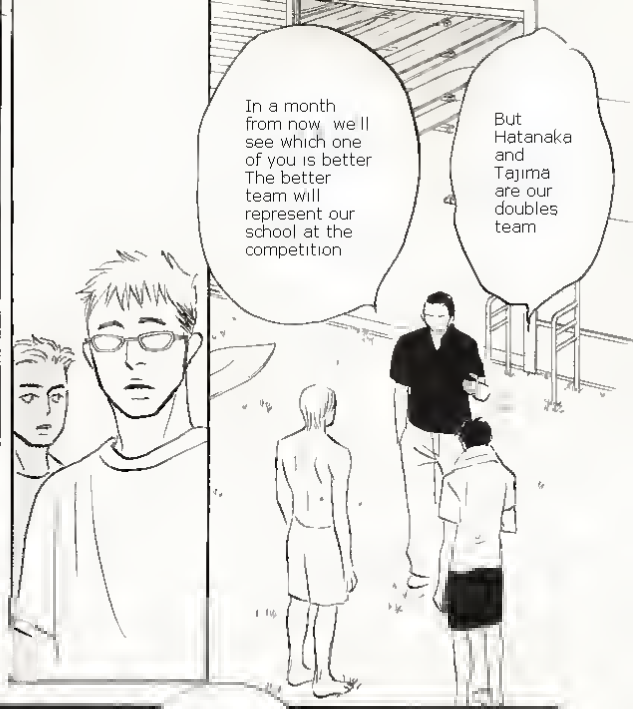
Kiss
Huh?
Oh
I was serious earlier too

I was feeling really good
Well
I really wanted to kiss you so I did
About what part!?

Huh?
What the hell are you saying?
Yea
That's right
And Kuro-senpai looked so cute with his eyes closed



Wait! I row singles
Kurotani
Your singles time is nothing compare to what you got rowing doubles today



In a month from now we'll see which one of you is better The better team will represent our school at the competition
But Hatanaka and Tajima are our doubles team

The discussion ends here
Go get changed

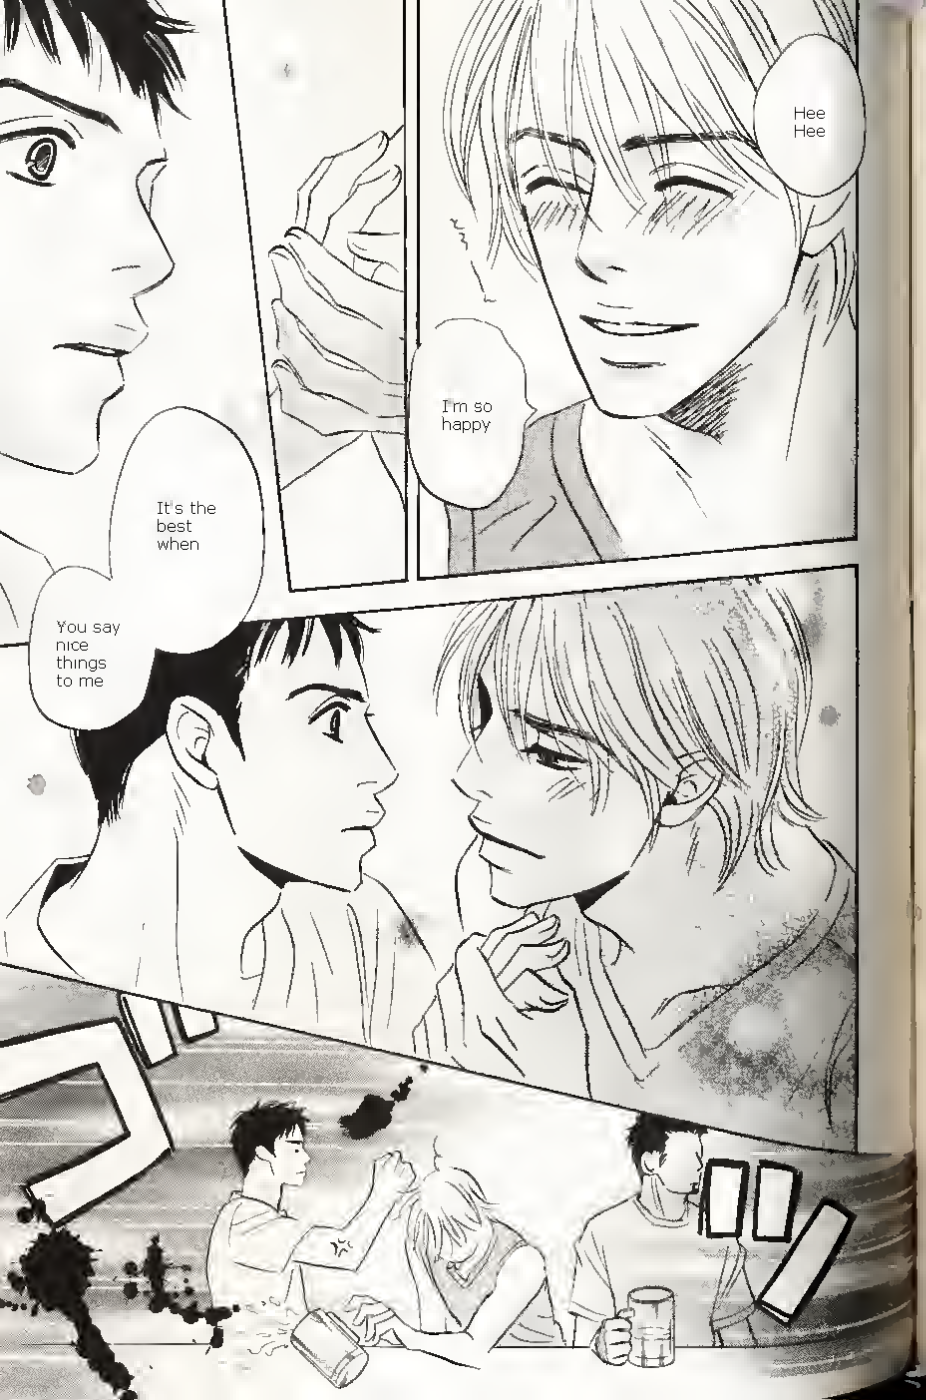
.....
So I guess we do make a good team

Wow

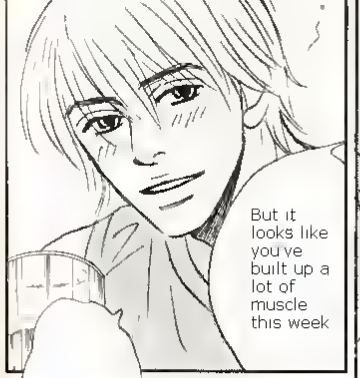
Let's both work really hard
Hatanaka san, I
At the training camp this week
I'm in my fourth year, so this is my last chance I don't feel like losing
Don't feel like you have to hold back
Isn't that nice
I remember
The first time we met ...
I don't remember ever smiling at you
You always smile for him
It's not fair
You've only smiled at me twice
Hey, Senpai
Be my partner
I like this guy...
Am I the only one with this feeling?
One time's not enough
I want to feel like that over and over
I was really surprised
By the feeling I got the first time I rowed doubles
You're making it sound weird
Oh? Really?

But day by day our breathing is starting to match
Oh! Third time ♡
.....
What are you doing?
You're splashing!
Hey
Are you having fun too?
Good job everyone!!

Too slow!
Bring it forward!
Yes sir
Miyahara! This is no time for useless chatter Think about your entry* Row faster!
This training camp is so much harder than the ones I went to in high school
Your stroke is messy
Cut the water cleanly
You're putting in too much upper body strength
Don't pull with your back
* Cutting into the water with the oar
I'm having lots of fun
Having a hard time?
Ha
Ha
Ha!
I'm here trying so hard
Kuro! senpai's handling it so well
He's so cool



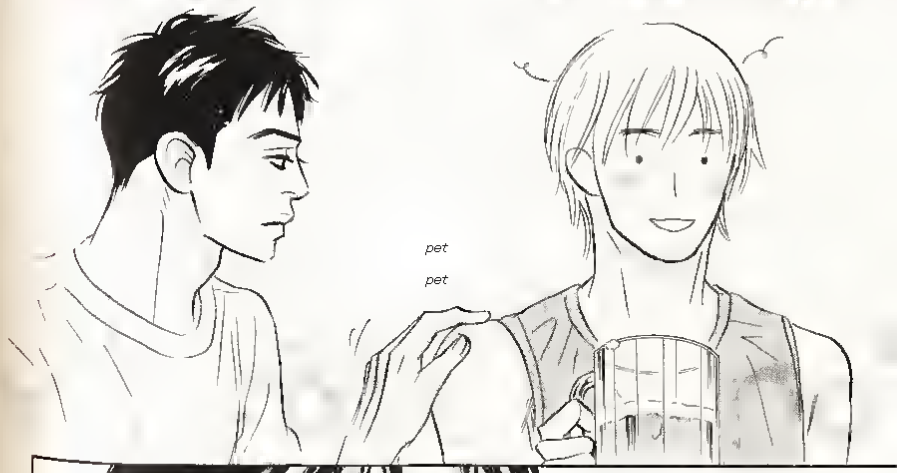
Hee Hee
I'm so happy
It's the best when
You say nice things to me



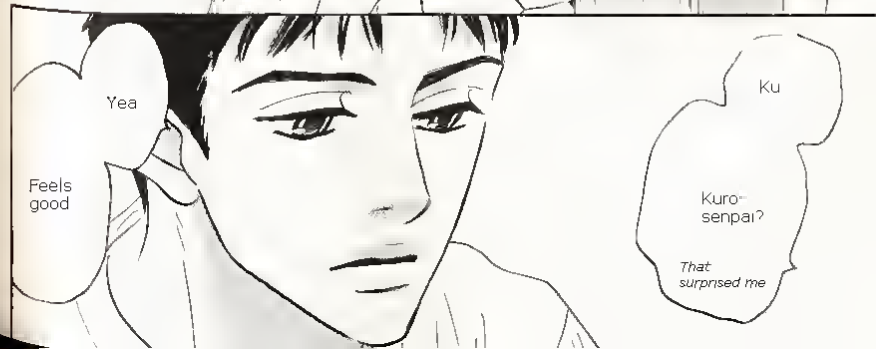
But it looks like you've built up a lot of muscle this week

Really ?

And you're not afraid to admit it
It was hell...
So how was your first time at training camp?
If there was another day, I'd die.

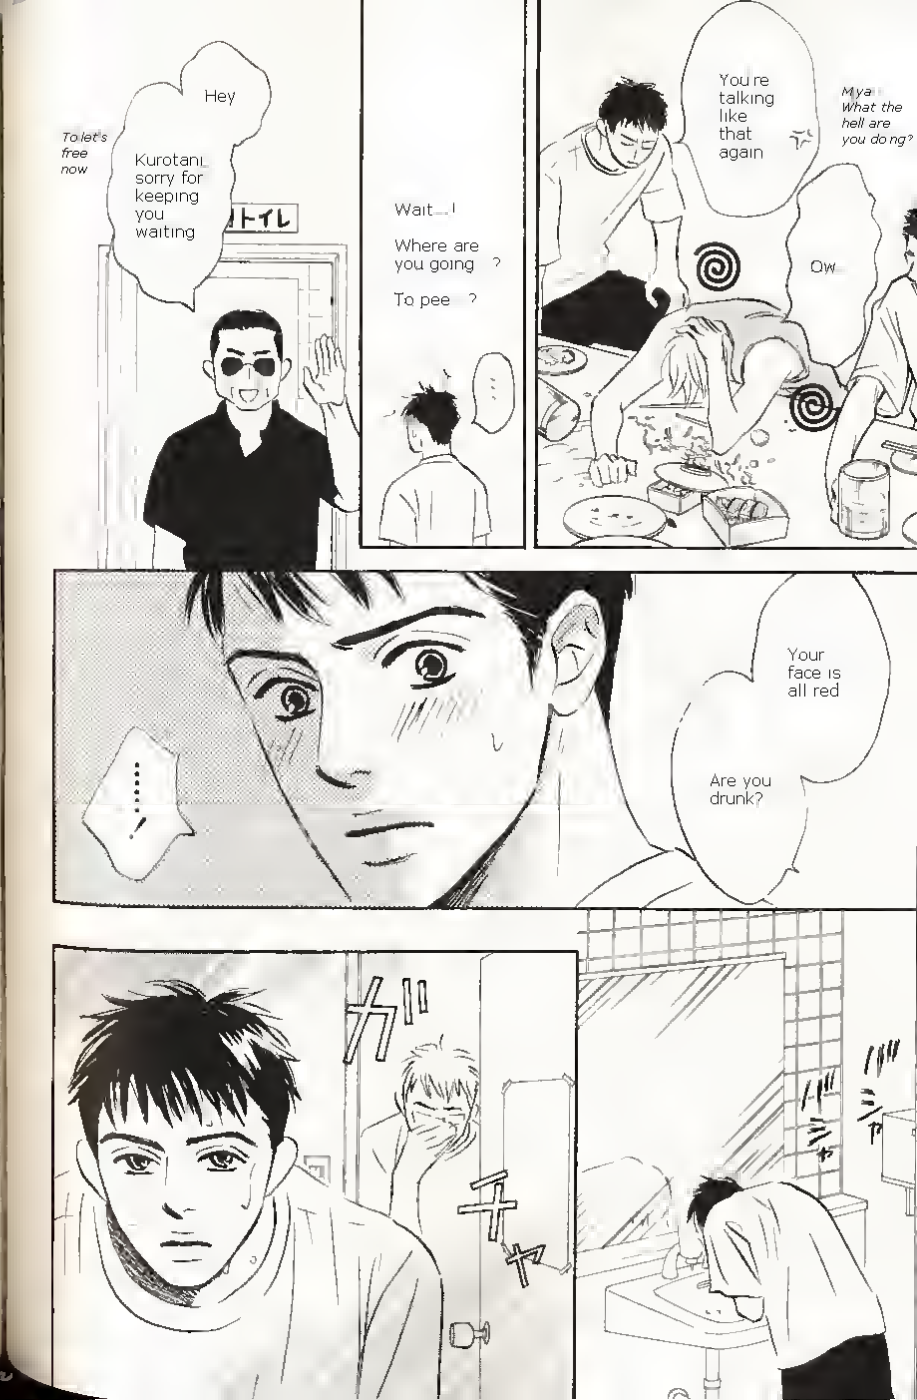


pet
pet

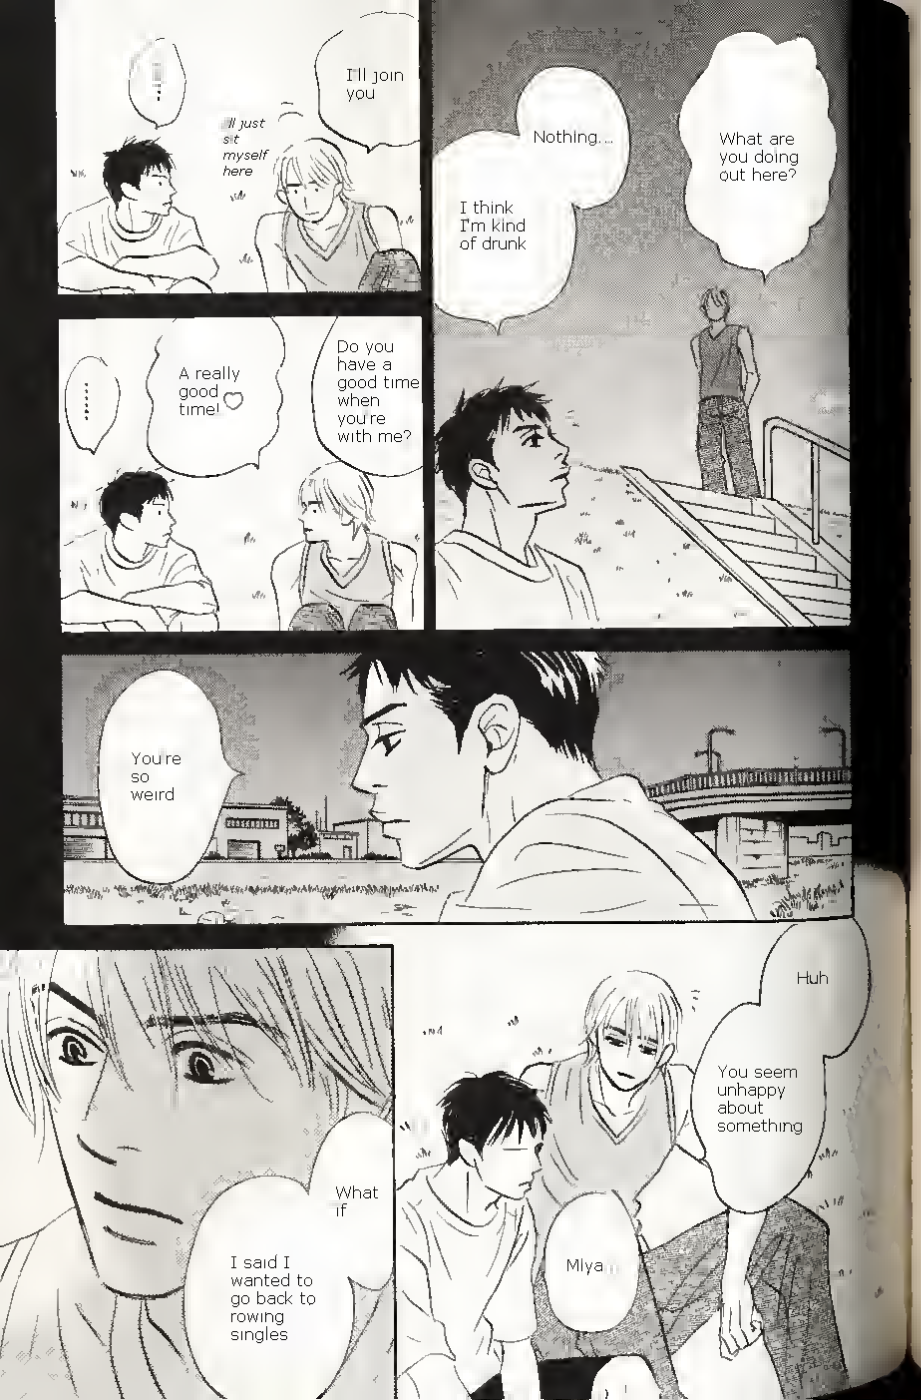


Yea
Feels good
Ku
Kuro-senpai?
That surprised me

Are Are you okay?
Ha Ha
Hatanaka-san?
Ugh
Now I'm even going to
I'm so worthless
Please Let me go to the competition
Hatanaka san?
Kuro



Hey
Kurotani sorry for keeping you waiting
To let's free now
トイレ
Wait!
Where are you going?
To pee?
You're talking like that again
Mya What the hell are you doing?
Ow
Your face is all red
Are you drunk?



I'll join you
...
I'll just sit myself here
Nothing...
I think I'm kind of drunk
What are you doing out here?
A really good time!
Do you have a good time when you're with me?
You're so weird
What if
I said I wanted to go back to rowing singles
Miya...
You seem unhappy about something
Huh

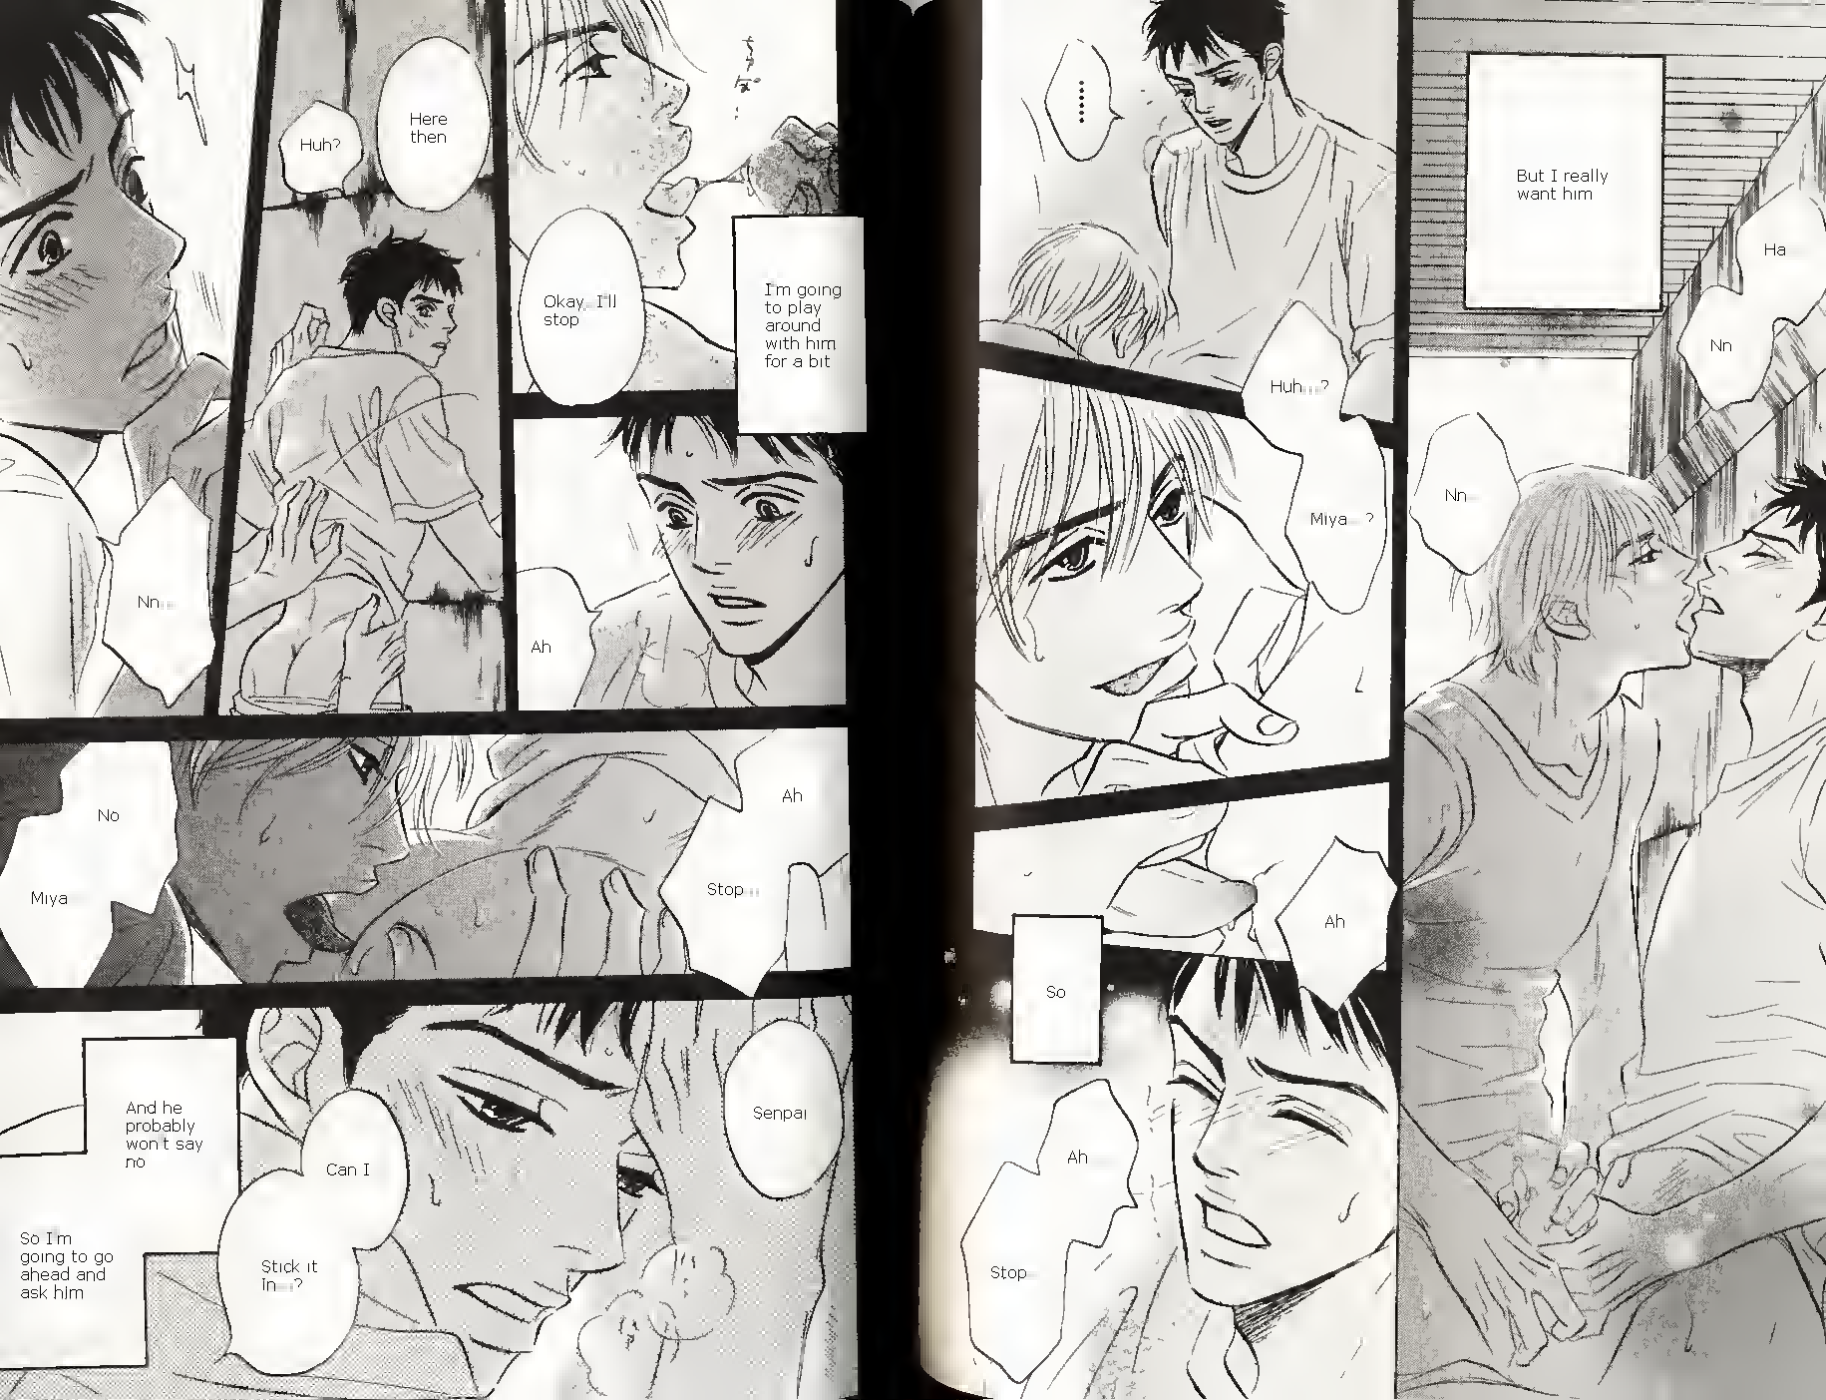
You still have time...
I'm in my fourth year already
Please...
Please, Kuro...
Kuro senpai
You know...
I really wanted to go see the flowers this year

No...
I'm sorry it's probably made you uncomfortable...
Sometimes I do things without thinking about them
I'll try to watch myself
I'm sorry
It's because I like you
Am I the only one who's had fun?
Didn't you feel it too!?
That's not it Miya
I'll really try
So please don't quit

No nothing
What's wrong?
Did something happen?
I just think that maybe I like singles more after all...
No reason
Huh!?
Why!?
You wouldn't say that without a reason!
Is it my fault...?
What?
No that's not it
You don't want to be my partner because I'm annoying...?

Nn
Ha
He's trying to trick me with such an awkward kiss
He's just awful
Nn

The two of us, we can do it!
Can you look me in the eyes and tell me that?
Then why...?
No real reason...
Huh...?
I said you were wrong



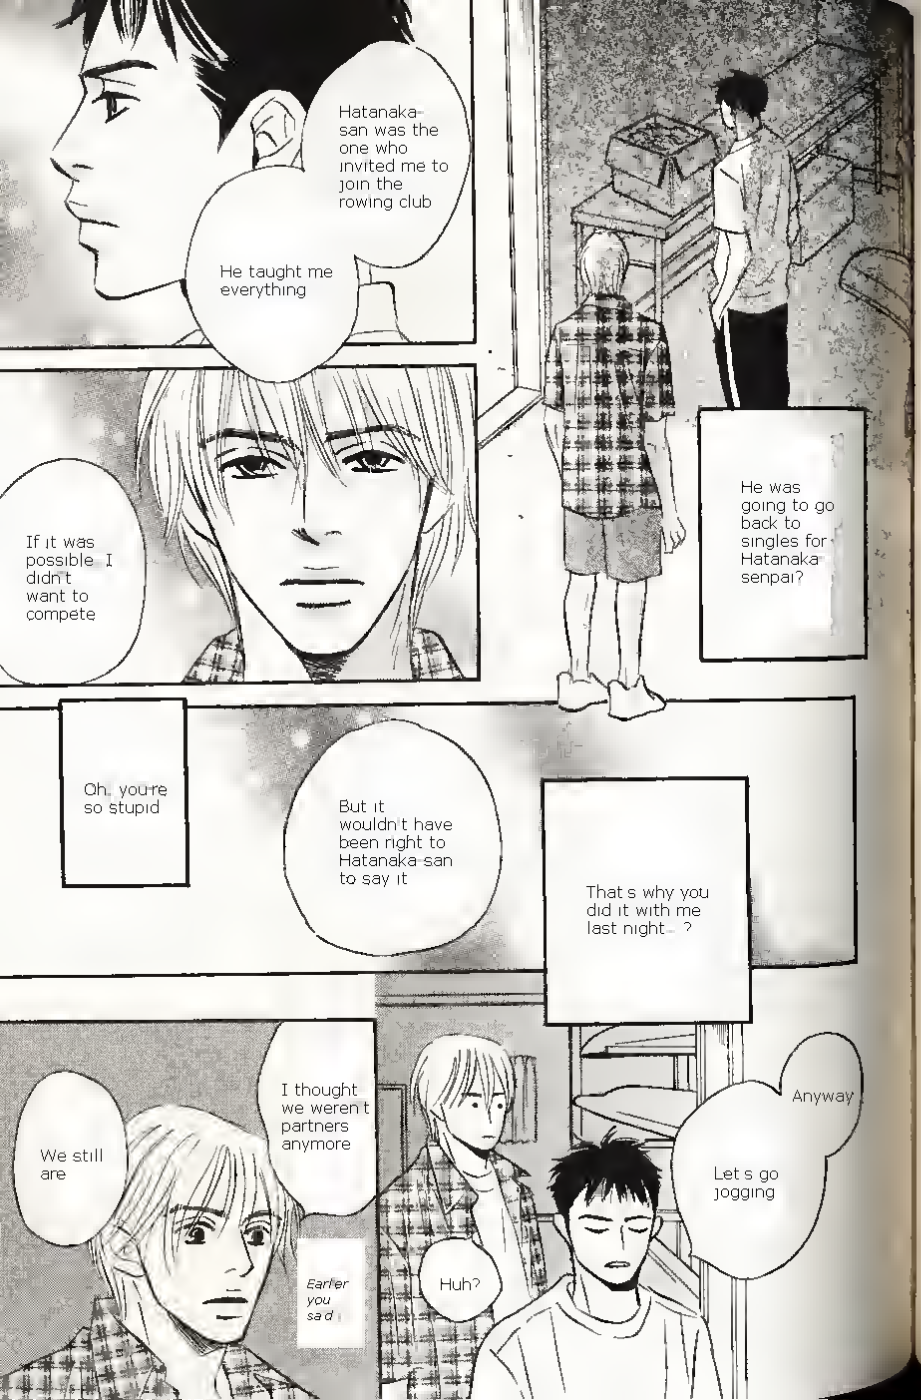
Here then
Huh?
Okay, I'll stop
I'm going to play around with him for a bit
Nn...
Ah
No
Miya
Ah
Stop...
And he probably won't say no
So I'm going to go ahead and ask him
Can I
Stick it in...?
Senpai
.....
Huh...?
Miya...?
So
Ah
Stop
But I really want him
Ha
Nn
Nn...

But let's do it together now just a little longer
This is really fun
Okay? Because it's over...
Ah
Ah...
Just like the first time we rowed together
It feels so good
Damn it
This feels so good

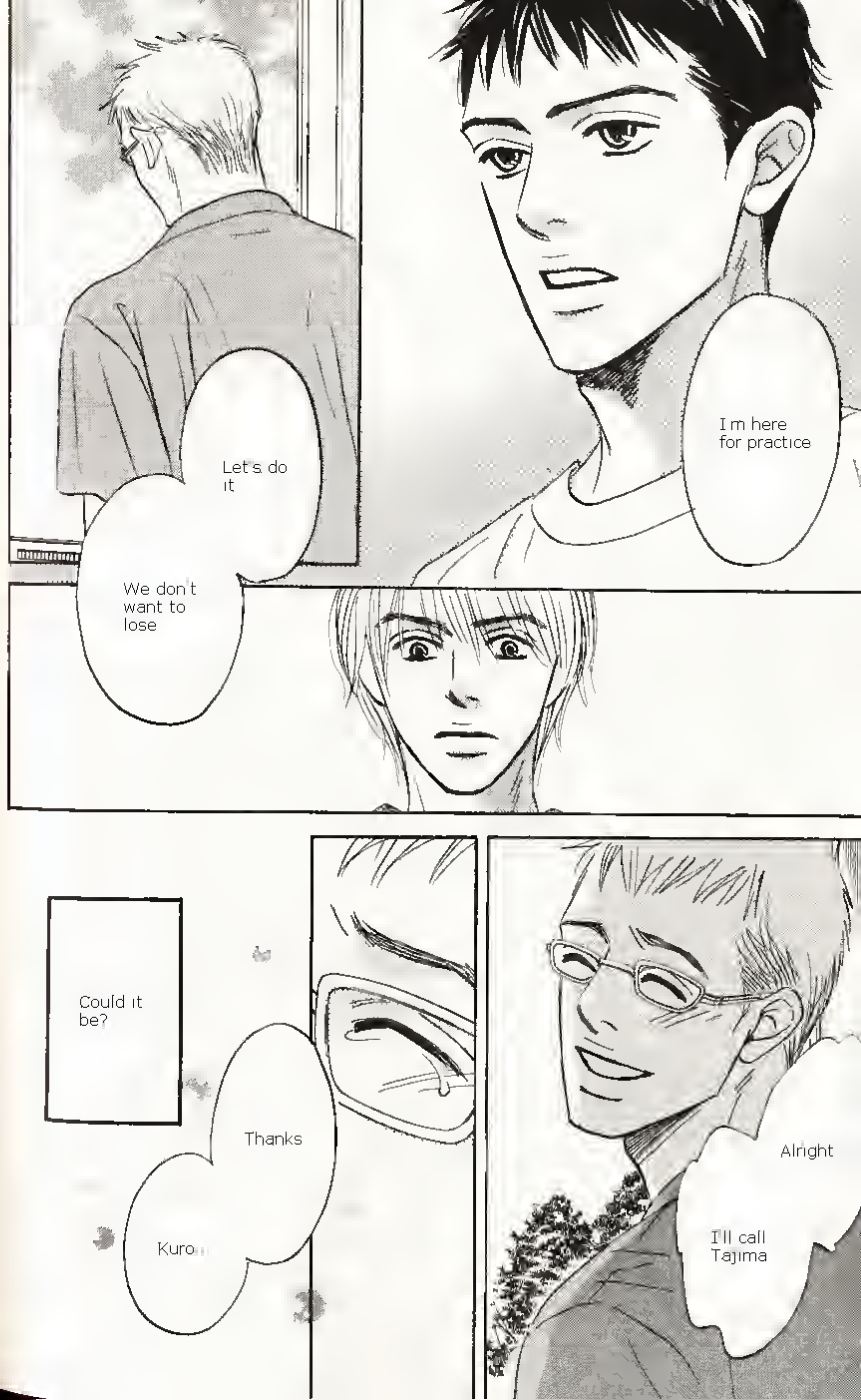
Nn...
Uh...
I'm sticking it in
.....
See
Ah...
Ah
Okay Senpai
We won't be partners anymore
Ah...
Ah

I really like this guy...
Obviously
Actually, I just forgot
That's so mean!
And that's the fourth time I thought
Yea...
Me too
Hatanaka-senpai, there's no practice today
Oh
Here comes another idiot
Haha
Just like me
Oh, I forgot...
Hatanaka-san
I'm going home to sleep then.
!

I wonder what Kuro-senpai's doing...
Oh right
There's no practice today
We just got back from camp
ガラ
.....
Oh...
I have no where else to go...
I know...
I just thought
Um...
There's no practice today

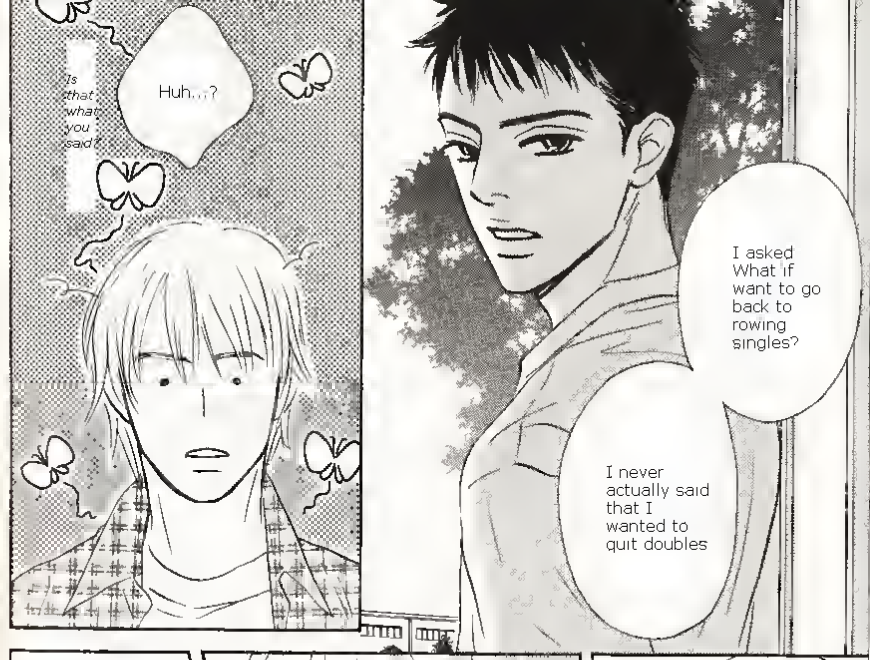


Hatanaka-san was the one who invited me to join the rowing club
He taught me everything
If it was possible, I didn't want to compete
He was going to go back to singles for Hatanaka-senpai?
Oh, you're so stupid
But it wouldn't have been right to Hatanaka-san to say it
That's why you did it with me last night...?
We still are
I thought we weren't partners anymore
Earlier you said...
Huh?
Anyway
Let's go jogging



I'm here for practice
Let's do it
We don't want to lose
Could it be?
Thanks
Kuro...
Alright
I'll call Tajima

Huh...!?
I was drunk
I feel like I've been tricked
For some reason
Come on, let's go
Ok
Hold on
I'm changing



Is that what you said?
Huh...?
I asked What if want to go back to rowing singles?
I never actually said that I wanted to quit doubles

Why ?
.....
Then
Last night
Wait...
But if you want to quit...
Wait a minute

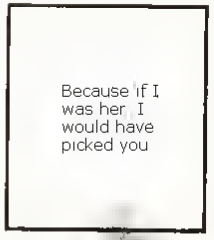
Did you teach her this?
Is this the way you like it...?

We like the same kind of wine and the same type of girl
Our interests and tastes are the same too
Even the way we kiss is the same
Hey...
Why are we in such a bad mood this morning?
We've gotten over her
Sorry...
Me too
I'm not a morning person
Me neither
.....
.....

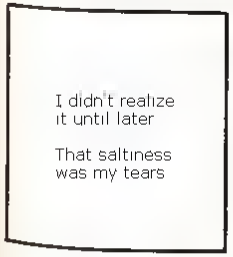
.....
I was just trying to get back at you
It's because you were ignoring me

I thought you didn't care how I felt...

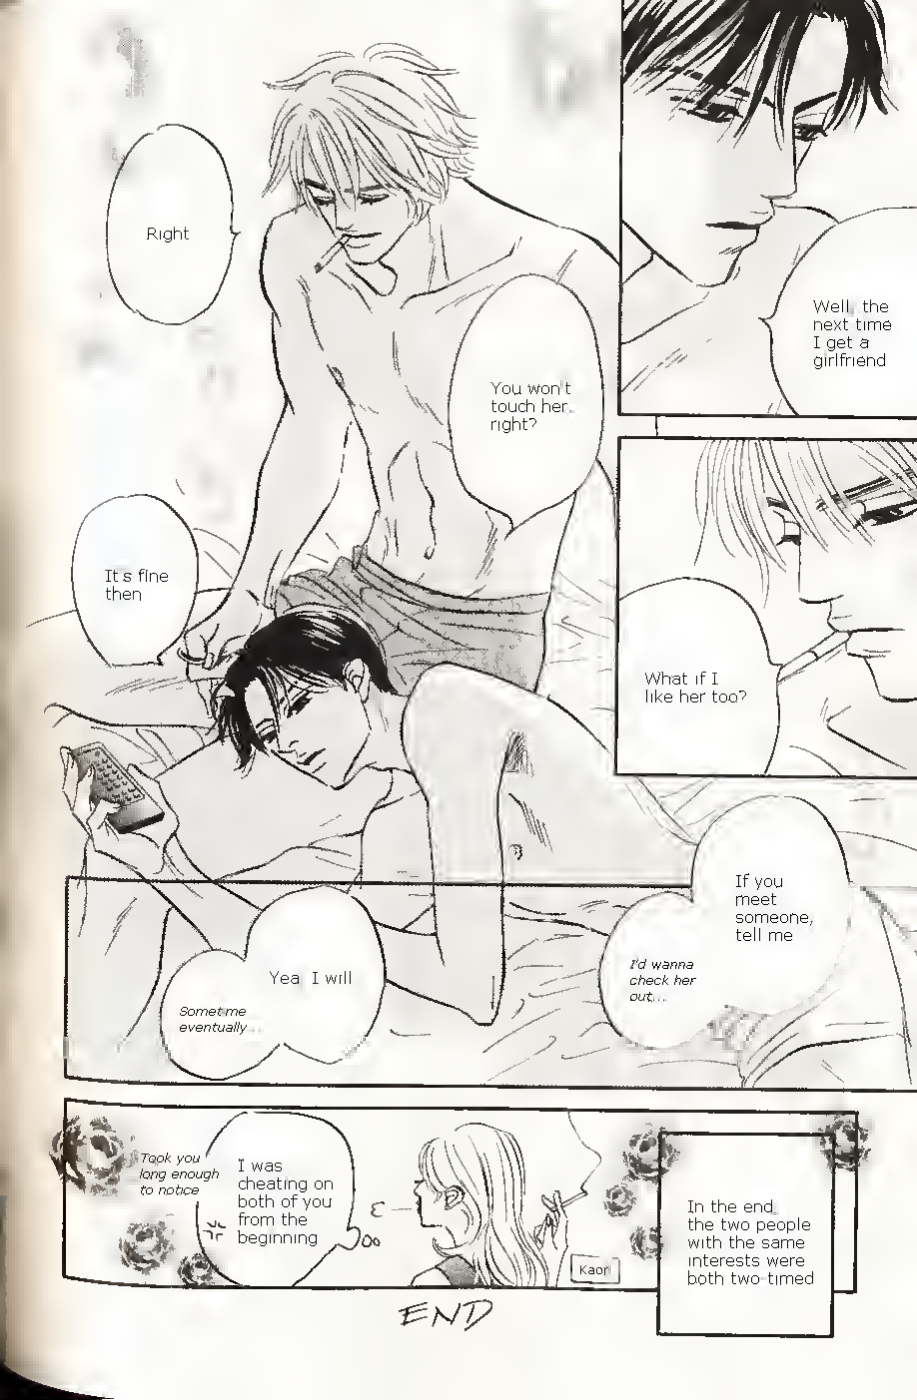


Because if I was her, I would have picked you

Don't cry



I didn't realize it until later
That saltiness was my tears



Right
You won't touch her, right?
Well, the next time I get a girlfriend
It's fine then
What if I like her too?
If you meet someone, tell me
I'd wanna check her out...
Yea I will
Sometime eventually...
Took you long enough to notice
I was cheating on both of you from the beginning
Kaori
In the end the two people with the same interests were both two-timed

No Need For Love

愛(あい)がどうした

From Yamada Yugi's Shinuhodo Suki One Shot Collection

It's alright
Okay!
I'll go
I'd like to have a drink with him
Oh?
That might not be such a good idea...
It's alright really
It's my first time here

How is everyone?
Hello
Ahh! He's here!
What's with him?
You shouldn't talk to customers like that
You're not a customer!
I told you not to come in here
Go home!
It seems like he never pays
Because he's actually here picking up other customers
Oh, I'd like to spend a little time with him

After this I'll show you
Just you
Then I'm not?
So am I your type?
No, I
.....
Let's have some drinks first
He's fallen for it
Sir, don't fall for it

No, not always
I
Don't usually sit and have drinks
I usually just sell my body
Yes always!
What?
You
Is this what you always do ?

Sir, you're being tricked The only thing he's got is that pretty face of his
I'll have whatever you're having
Oh? How would you know?
キャー
He definitely doesn't look like the type that would come to a place like this
He looks too sophisticated
I'm Kobayashi
What would you like to drink?
Really? That makes me so happy
I'm Kouta
Hey! He's got the same last name as me
ガタッ

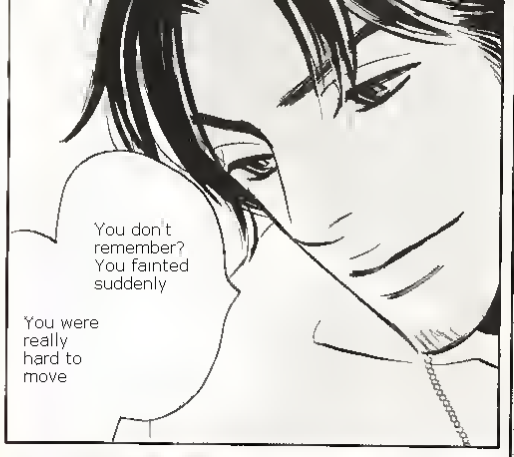
Hm~

Oh
No
I'm sorry

I really don't say that to everyone
You just seem like a nice guy
You probably don't believe me but...
Come on, let's have some drinks
Let's talk a bit more...
Hey...
Hm?
Yes?

That's not what I want
Is that what you were working up to?
Don't make a fool of me
Keep it
My apologies for making a scene
Wait your change
Wait!
No... You don't need to apologize
Did I make you uncom-fortable?
I'm sorry...
I'm sorry, find someone else
What's wrong?
Why don't we just have something to drink then?

Here
This is what you wanted to see
You were the one making a fool of me
You were just pretending to be offended
Nn
Nn
This is what you wanted to have
Ugh
Nn
Mn
Hey! Be careful with your teeth
You're really bad at this
What?
No way, could this be your first time?



You don't remember? You fainted suddenly
You were really hard to move

You Put something in my drink
Don't worry, just a little

What are you going to do ?
Nobody walks into a place like that without knowing exactly what they want
That's what I was going to ask
カチャ
カチ

Weren't
We going to talk ?
Hm?
Sure, what do you want to talk about?
Heheh

I just wanted to push him around a little
Hey
You wanna try something even better?
Yea
It turned out to be a lot of fun
Kouta!
Nn...!
Ah...
It is
Yea
So
This is how you like it...?
Oh, sorry!
I didn't mean to~

You're so mean
You're awfully cheerful in the morning
"Yet"? Hey!
And this is his boyfriend
I haven't even done anything yet
This is my father
If you make another pass at Naito I'm locking you out
Being with this guy has changed him
You're really handsome, so you could even pull off being bald
Don't say bald!
Oh, don't talk about his hair He'll get upset
Naito!
My parents split up when I was five
I see my dad a lot more now
You've been getting mad a lot lately
You'll go bald, you know

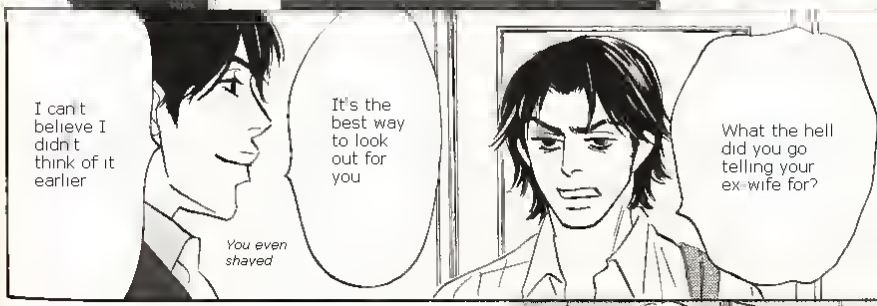
Nn
I just fell asleep...
Kouta, wake up!
When did you get here?
Good morning!
Oh?
Your son is here?
Have you been drinking again? You know you're not allowed You're only in high school
Have you contacted your mother?
That hurts!
I told her I'd be here

Cram school!?
He did just go looking for someone to do it with after all
But it seemed like he had a good time, so whatever.
Th s k d is such a pervert
Huh!?
This is my mother
And shave that beard
You'll start going next term
I've talked to your dad about it
Huh!?
Why were you talking to him about me?
No! I'm not shaving it
No, I don't mind...
Isn't that unfair to this guy?
And this is my step-father
Last time you spent the night at your dad's you stayed out all night drinking
You've been staying out late too much
I don't need to go to that!
My grades are fine
It doesn't look like it but he's actually a good student
What!? He told you?

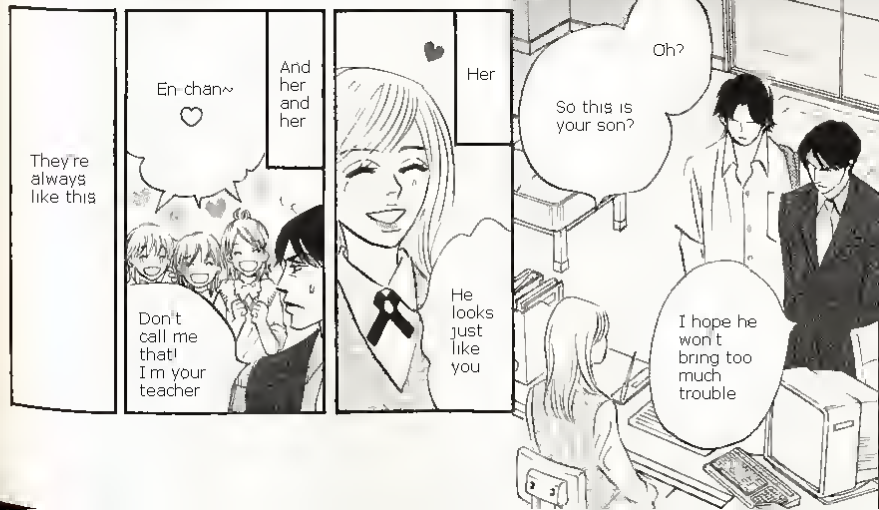
But more than that I want to come all over his glasses
He's really hot
I wanna watch him ride me
I'd like to do him...
Are you even listening?
Before he was always cool and distant, but now I see him as just a regular guy
Just once
You're the one always making me mad Kouta!
It
Really seemed like that was his first time
I feel kind of sorry for him

Mr Kobayashi?
Can I have a moment with you?
He's only got that face of his
You're all being tricked
They all like my dad
Even my mom still does...
Mr. Kusumegi
What is it?
About today's schedule...

Oh, you're here
You're going! That's final
That hurts!
Alright, alright!



I can't believe I didn't think of it earlier
You even shaved
It's the best way to look out for you
What the hell did you go telling your ex-wife for?

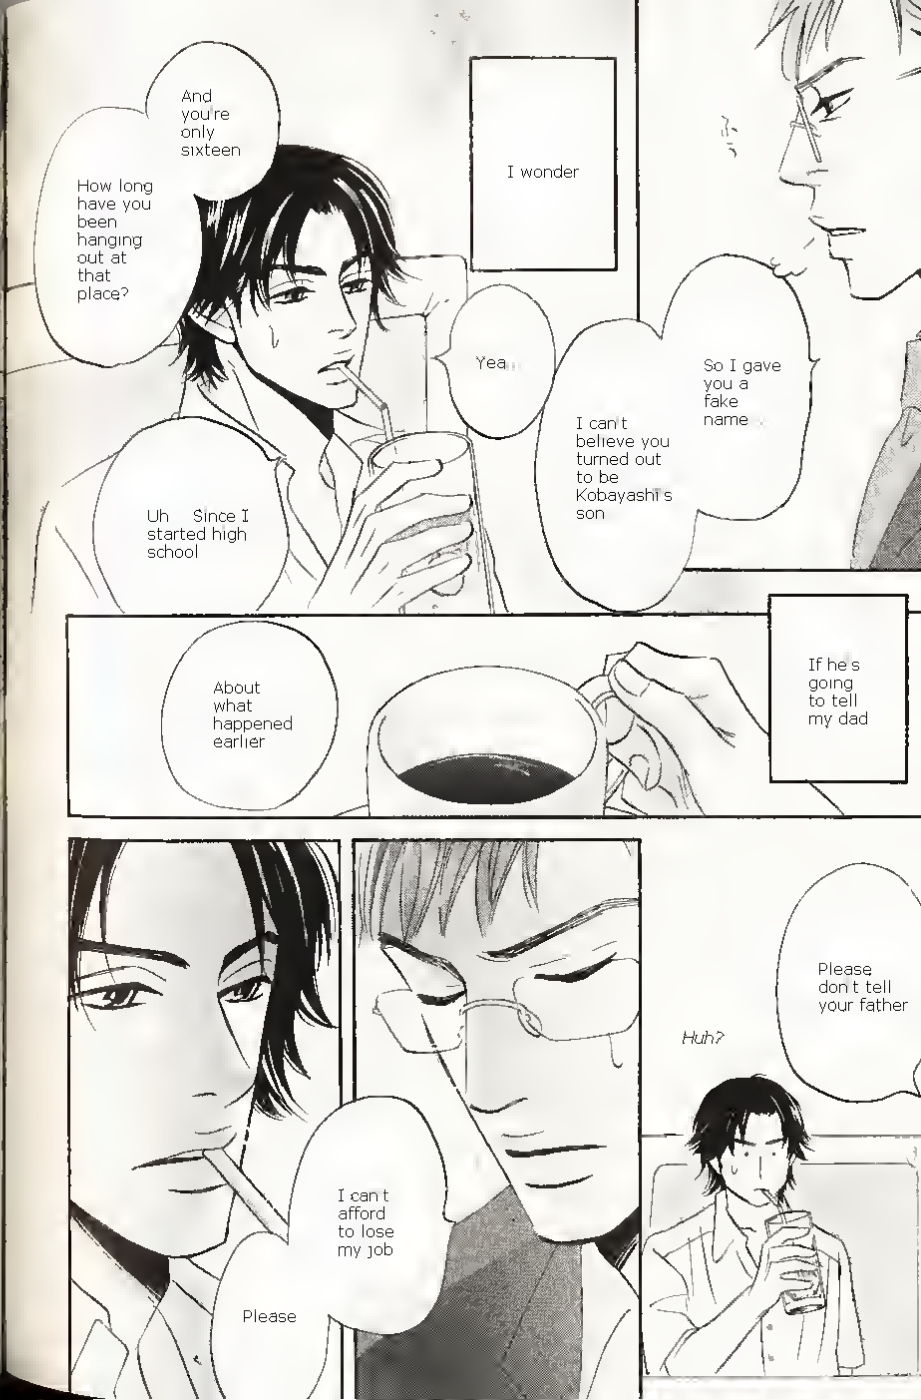


They're always like this
En-chan~
And her and her
Don't call me that! I'm your teacher
Her
He looks just like you
Oh?
So this is your son?
I hope he won't bring too much trouble

Mr. Kobayashi?
Good night, every one
Good night
Kousuke, this is Mr. Kusumegi
He teaches math here
Nice to meet you
Kusumegi?
That's not your name?
.....
First, nobody can read it
Second, nobody can write it
Third, it's annoying to have to explain
And if anything happens, it sticks out in people's minds
.....
"Kusumegi" is a really rare name isn't it?
Yea...
SUEHIKO

Mr Kusumegi?
Oh, this is my son Kouta
Please look after him
Uh Hi
No way!
That guy teaches here!?

!
Sure
But in exchange you have to do it with me again
Okay?
It's not like he didn't have a choice
Ah
Wait



And you're only sixteen
How long have you been hanging out at that place?
I wonder
Yea
So I gave you a fake name
I can't believe you turned out to be Kobayashi's son
Uh Since I started high school
About what happened earlier
If he's going to tell my dad
Please don't tell your father
Huh?
I can't afford to lose my job
Please

Until recently I thought I was normal, but...
That was the first time I went to a place like that
I guess
I'm actually gay
Stop smoking
It's good that you figured it out
Because of me?
Yes, Sir
He's so pathetic
.....

Wait
Why...?
It was your first time, right?
Ah
Ah...
Last time I did some mean things to you
I'll be nicer this time
I feel really sorry for him
Ah...
He's so nervous he's trembling
He's opening himself up to some kid who has more experience

This must be embarassing for you to tell me
He's really just a little kid inside
His mother and I split up when he was young
He's been left alone a lot so now he constantly wants attention

He's hard working and enthusiastic
Yes really
Really ?
In more ways than one
Really ?

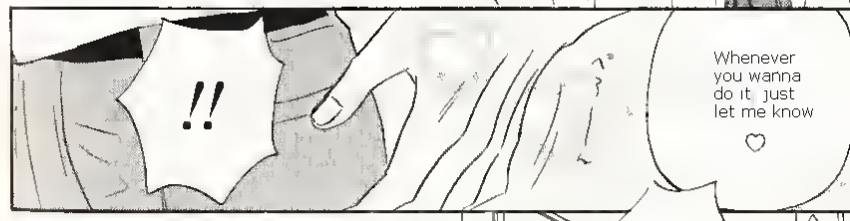
Why did you sigh?
Huh?
Yes of course I do
So even you have worries too

Someone like you would never get divorced three times
W C
You've been divorced three times!?
That's a lot

Um
Nobody is perfect
It's just that you seem so cool Your classes are great and you're popular with the students You're perfect
Kusumeg seems like an nteresting guy

ビクッ
What ?
Hm?
Heheheh

It's cute
Mr Kusumegi~

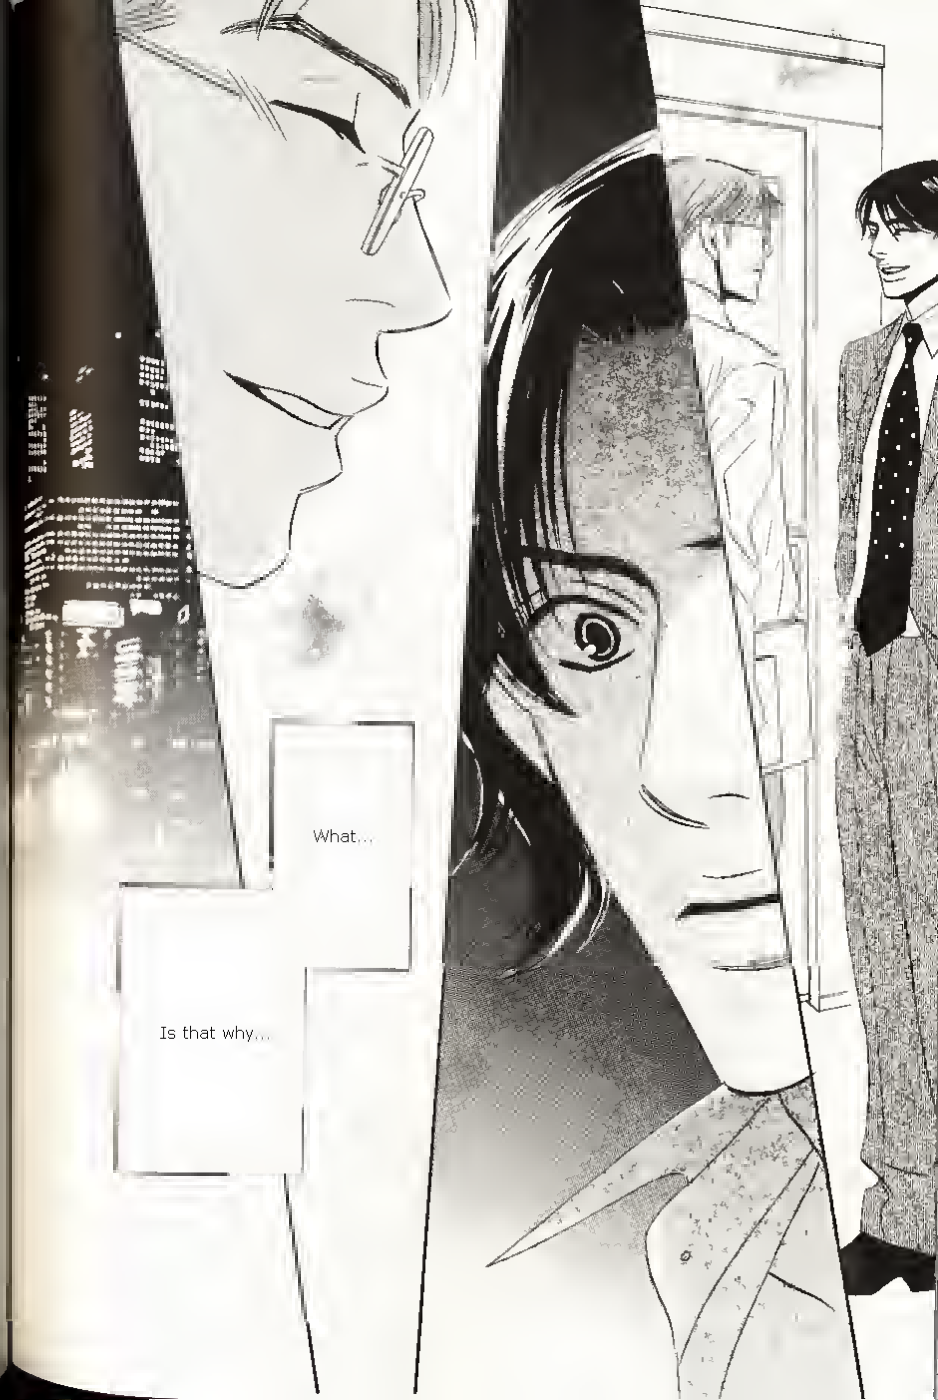


!!
Whenever you wanna do it just let me know

I'm sorry Is he
Oh no
It's nothing

Kouta-kun!

What the hell...?
Get lost! Go away!
I'm here to see Ha-chan I'll even pay this time
Ahh! He's here again!
You really hate me that much...?
You come here a lot don't you?
...
A lot ♡
You like guys like me?
I like you

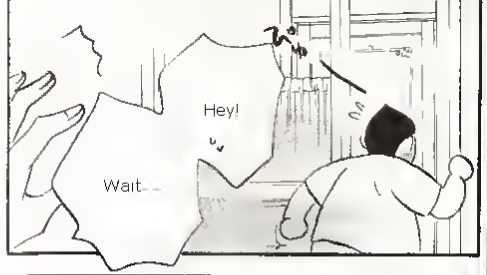


What...
Is that why...

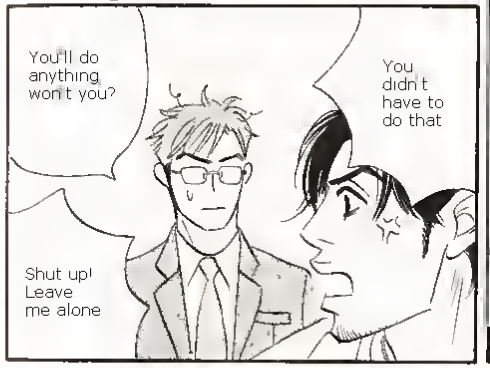
I've been looking for you
Kouta-kun!
You have?
You really like me?
If you do tell me you like me
I like you I like you
I'm living with this guy now
Tell my dad that
I'm not going
Your father's been worried
Let's go
...

Have you heard from Kouta?
More than you'd like my father?
Really?
You like me?
Is he up to something again ?
No, he's not here either ...
Oh
Actually
He never came home last night
Yea...
Has something happened to your son?

Kouta-kun...
What? No, I
ガーン
You like him, don't you!?
That's why you didn't want him to find out!
You aren't interested in me at all
You just want me because I look like my father!
ポロ
It's always like this
I can never live up to my father
You don't even like me, do you?



Hey!
Wait...



You'll do anything won't you?
You didn't have to do that
Shut up! Leave me alone

This kid is only sixteen, he's still in high school
If you got caught him him...

Is that how much you like him?
Huh?
Oh?
So you came looking for me?
What are you doing here? Did my dad ask you to come?
Of course not
I heard that you didn't go home last night
And I thought you'd be here

And I wish I could be more like him
So I used his name the first time we met...
I do admire him a lot
I actually
.....
But that's not how I feel about him
Really ?
That time I asked for you...
It's because I really wanted to be with you...

People only put up with me because I'm his son
My mother, my dad's friend, even you
Everyone I like likes my father
うぉー
Let's go...
HOTEL エーゲ
As for me
.....
Your mother doesn't just put up with you because of your father, you're his son but you're her's too
Um...
Doesn't put up with him
I don't know about your dad's friend, but...
I don't know why you think that
But it really bothers me to think that you like my dad
I don't know why
Whaa
Whaa
Whaa
Whaa
I find it hard to believe that you like me...

Really?
Yes!
Yes!
Will you listen to what I say?
Let's see
Alright then
And you can't say no
Huh ?

You should have just told me that!
How could I?
And now what you've done I can't easily forgive
I'm sorry
What
What can I do to make you forgive me?

Ah...
Now I know that couldn't have been his first time
You know
I've always wanted to make an arrogant kid like you cry
.....
Defeated
That's nice to know...
I'm telling your father

Ah
Wait
I have, but not many times...
You've never done it up there before?
You know...
You seem really good at this
Oh
Yea...?
That's because our first time I let you think was my first time

Huh?
He had to leave his last job because he slept with one of the students there
Huh!?
And now he's living with another man
What!?
I have to take responsibility for sleeping with his underage son
It's okay, it's okay
How far are you going to go trying to live up to him?
……
If you tell him, I won't get to see you anymore……
At least graduate from high school first……
Next time it's my turn
Don't think that you can get away from me so easily

Alright
Stubborn teacher just has to have things his way
Whaa~!?
I think we should tell your father after all
Forget it, let's just do it already
These kind of things need to be taken care of properly
Let's get his permission to see each other
Huh?
But going right to my dad is a bad idea
Let me introduce you to my mother first

This is my father's second wife
Mom
This is my boyfriend
Who are you calling mom?

But I still want to be with him
It's the first time in my life that I've felt like this
I love you
No, I won't
I'll ask him over and over
Yea.
I asked him about how we should approach your father
You guys talked a lot
If my dad's against it are you going to leave me?

Like I said~
That's just not right!
En chan's going to go bald
Maybe you could do it for us?
We just can't find a good way tell dad
Um
I think it'd be better if you just don't tell him
He teaches where dad does
My name is Kusumegi
Mr. Kobayashi is always looking out for me
Huh!?
What I've done is unforgivable
But I didn't get into this without thinking about it carefully
Are you really alright with this? After all, he is a pretty bad kid
He was the one who picked you up, right?
What are you four eyes whispering about?
There's a chance
He might not want me anymore tomorrow
I'm not his mother!
Please let me go out with Kouta kun, Mrs. Kobayashi!
This guy's kinda weird
Same age

You'll definitely be the one who gets fat
You'll be cool to me even if you go bald or get fat
I guess he can't help being cute
Because I haven't been getting any exercise lately
